Olympics Unleashed

On 10 April Nicholas Timmings will be connecting with all students in Years 3-6 as part of Olympics Unleashed.

The students will learn from Nicholas Timmings Olympic journey how to build resilience, the importance of setting goals and how to find what you are passionate about.

Students will hear firsthand from Nicholas Timmings about how they overcame challenges to compete in their chosen sport at the very highest level, and how some lessons they've learned in sport can help students to be the best they can be – whether that's in school, at home, on the sporting field or with friends.

Scholastic Book Fair

A big thank you to all community for visiting our book fair held last week, despite the weather.

Also a shout out to our library monitors, Freya Lloyd, Amelia Haring, Phoenix Meadows, Grace Cooper, Acacia Johnston, Lucy Aeschliman, Aria Moyle and Uniqa Mains, for all their assistance in setting up, assisting our infants in writing their wish lists and in the sales.
