Cross country

Last Friday, students in grades 3 through 6 took part in our ~~school's event~~ running laps around the school grounds. It was great to see their hard work and effort.

The energy was high as students cheered for their peers, proudly wearing their house colours, which created a strong team spirit. Teachers and staff were there to give encouragement and support, making sure every student felt motivated and valued.

We are very proud of all our runners and can't wait to see our top finishers show their skills at the upcoming Broken Hill Cross Country Carnival. Good luck to our representatives; we know you'll make us proud!

From the

Welcome to week 2. I survived!!

What a wonderful week it was. Staff and students have been amazing welcoming me and helping me get my head around all things Broken Hill North. Loved the assembly on Friday with all the rewards students can achieve and must say the kids were so well behaved during the assembly. Very respectful.

Cross Country Big thanks to Mrs Burke and Ms Rawlins and team for organising the cross country on Friday. It ran really well and students were very active. The students representing BHNPS will attend the Broken Hill Cross Country on Monday 19 May.

P&C BINGO Night Thanks also to Mrs King and Mrs Williams and the P&C for organising a great night. Lots of families attended and although a bit squishy in the Library everyone had fun. Well Done.

Mothers Day Stall this Week Will be held on Thursday. Classes are timetabled to buy at the stall throughout the day. All students will need cash up to \$10 if they wish to purchase a gift and bring a bag for their purchase.

Mother's Day Craft Morning Families are invited to come and spend Friday morning doing craft activities with students. At the end of the activities they are welcome to stay for morning tea.

Fence and Gates While the fence is looking fantastic there still remains some issues with gates and entry and exit points. At this stage the gates on McCulloch street, bus gate and main entrance gate (Chapple Street) are in play. The 2 main gates are just push open at the moment until they are automated sometime in the next couple of weeks.

Unfortunately there is no exit from the back flat area.

Kinder, Years 1 and 2 will exit from the McCulloch street gates and Years 3-6 from the Chapple Street gates. Bikes will leave through McCulloch 2nd gate. Older students who collect their younger siblings will do so at the McCulloch street area.

Boccia Schools Competition

Last Thursday, the dream team—Toby, Grace, Tyler, Timothy, and Marley—rolled up to the local Boccia Schools Competition, proudly waving the flag for Broken Hill North Public School. These champs showcased top-notch sportsmanship and should be doing victory dances for their efforts!
