Dream Thinkers

This term, Years 5 and 6 students participated in the Dream Thinkers Far West Program, engaging in interactive activities over four weekly sessions. They explored personal interests, skills, and strengths with support from local professionals. Students envisioned future jobs and relevant courses to achieve their career goals, culminating in a representation of their desired future selves. They also visited local businesses and organizations in Broken Hill to further explore industries.

Lego Roadshow

Yesterday, our Stage 3 students took part in an exciting Lego and Robotics incursion. They had a blast programming code to guide Lego robots through the school hall.

This wonderful initiative was made possible by the Widening Participation Unit of Macquarie University.

It was fantastic for our students to engage in such a fun and different activity. Keep an eye out for another exciting event later this year!

ANZAC Day

ANZAC Day this year falls on the final Friday of the school holidays, and our school will be participating in the commemorative march.

Members of the Student Representative Council (SRC) are expected to represent the school in our official uniform, which excludes the blue polo shirts and zip-up jackets.

All students wishing to join the march with our school are encouraged to participate, provided they follow the uniform guidelines. Participants should gather near Hungry Jack's by 10:15 AM on the day of the event.

ANZAC Day is a significant occasion in our national calendar and warrants our respect and representation as a school.
