Congratulations to our new SRC members!

We are excited to share that our new Student Representative Council (SRC) members were inducted at Friday's assembly! This group of students are ready to help make our school a better place.

The SRC is important because they listen to what students think and feel. They will work with teachers and school leaders to make sure everyone's voices are heard. The members will also plan fun events and help improve our school.

At the assembly, the new SRC members were introduced and received their badges. This shows they are ready to take on their new roles. We encourage everyone to support them and share their ideas with their representatives.

Aligned Life presents *Conscious Parenting Reset Tour* **STOP THE YELLING. BREAK THE CYCLE. HEAL YOUR FAMILY.**

**The Parenting Struggle is Real...
But it doesn't have to be.**

Do you find yourself yelling, frustrated, and stuck in patterns you swore you'd never repeat? Then hating yourself for losing control - only to do it all over again?

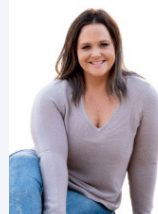

Are you exhausted by power struggles, punishments that don't work, and the guilt of knowing you're causing harm - but feeling lost on how to stop?

What You'll Learn (And Why It Will Change Everything):

- ✓ **Speak so your kids actually listen** - without yelling, nagging, or endless reminders.
- ✓ **Discipline without fear or punishment** - and still get the behaviour you want.
- ✓ **Why punishments backfire** (they teach kids to lie and manipulate) and what to do instead.
- ✓ **The #1 reason for your child's disruptive behaviour** (hint: it's in the words you use) and how to turn it around in 24 hours - guaranteed, backed with proof.
- ✓ **Powerful tools for instant connection** using your child's love language.
