K-2 Dry Land Swimming Carnival

Last Friday, the K-2 crew splashed into sunshine and giggles at the inaugural Dry Land Swimming Carnival over at North!

Pint-sized swimmers took to the Back Flat showing off their best moves in freestyle, breaststroke, backstroke, and the wild “free choice” event – because, why not?

The teachers got in on the action too, with Mrs. Hellyer making a splash by actually bringing her goggles! Fun was had all around, and a massive shoutout to Mr. Chapman for pulling this epic event together!

Expression of Interest

Year 6 to Year 7

To enrol your child in Year 7 for 2025, you will need to complete an Expression of Interest for Year 6 to Year 7 transition. The Expression of Interest (EOI) lets you indicate which school(s) you would like your child to attend in Year 7.

The EOI process is available online by clicking the link below. After you submit an EOI and it has been assessed, your child will be offered a place at a high school.

Year 6 into Year 7 Expression of Interest

If your child will not be attending a NSW Government high school next year, please let us know by completing a Placement Not Required form.

No Placement Required

If you are unsure whether they will be attending a NSW Government school (you've applied for a private school, or you are moving interstate), we ask that you still complete an EOI and follow up with your school once a decision has been made.

The online process will guide you through your options and collect the information required to make the process as smooth as possible.

For parents/carers who are not able to complete an application online, a paper EOI form can be collected from the school office.

For more information about moving to high school, visit [Choosing a school setting](#).
