World Bee Day

Last Monday, 5-6 Crocodiles acknowledged World Bee Day to recognise the importance of bees. We discussed that the hexagon shape in the hive provides the most strength and holds the most honey, while using the least amount of wax per cell. We then created 3D models of a beehive cell.

Broken Hill North
Public School

Upcoming Events:

- **28 May**

Reconciliation March - SRC and Stage 3

Eddie Woo Visit - Stage 2

Lead Ted visit Kinder Echidnas & K-1 Koalas

- **30 May**

Assembly - Reconciliation Week

- **6 June**

Lead Ted 1-2 Goannas & 1-2 Magpies

- **11 June**

First Responders Recognition

From the Principal

Welcome to Week 5 – We are nearly half way through the term.

PULSE Performance

What an outstanding performance last week by Broken Hill students including our own Northies. Every student who participated in the workshops and final performance had a ball! Very proud of all our students who performed with enthusiasm and gusto.

Reconciliation Week

This week we celebrate Reconciliation Week with an assembly on Friday morning run by our Junior AECG members. Please come along and join us at Assembly commencing at 9.00am in the Hall. We thank Mission Australia for providing popcorn

Stage 3 students and SRC will also be participating in the Reconciliation March in town on Wednesday morning at 10:45am.

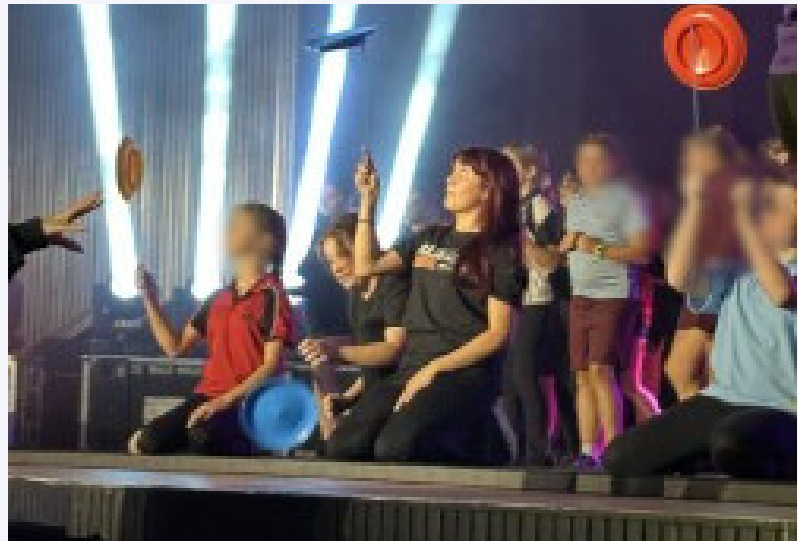

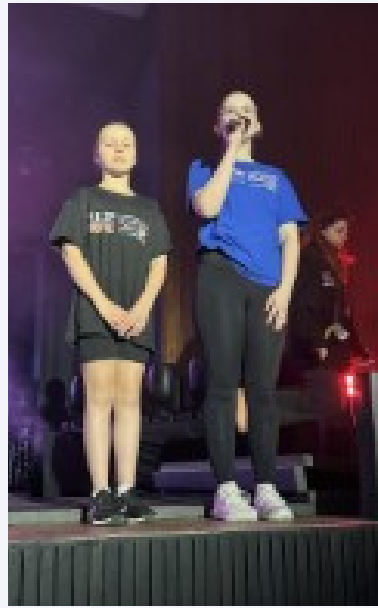

Eddie Woo

Stage 2 students have the opportunity of an hour long workshop with Eddie Woo on Wednesday at BHHS Hall joining other stage 2 students from all primary schools. Eddie Woo is Australia's most famous mathematics teacher, Eddie Woo makes maths fun. The kids will love his workshop.

Report Writing

Over the following weeks the teachers will be assessing students and writing the Semester 1 reports. They will go home in Week 10. If you are a family that requires copies of the report to go to both parents/caregivers please let us know by ringing the office on 08 8088 2098 so that we can make sure this happens.

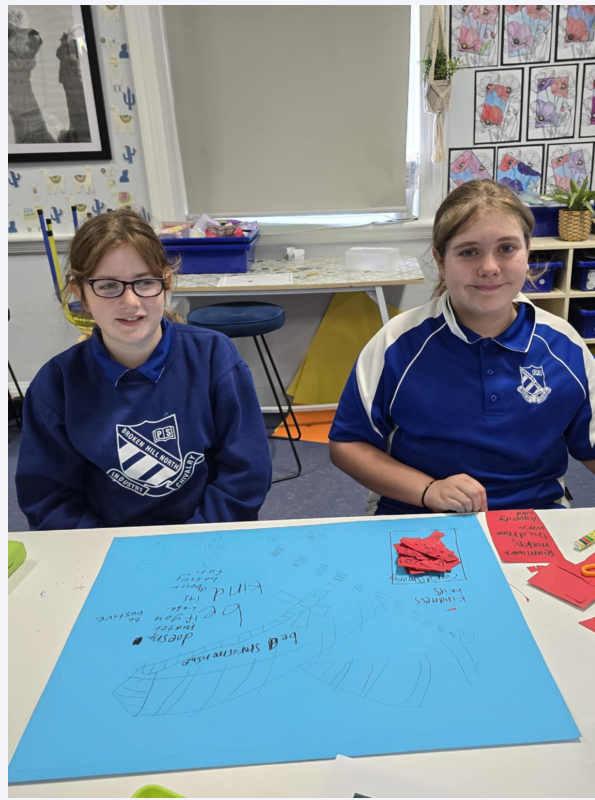

PULSE Alive

5-6 Crocodiles

Maths Games

Another challenge 5-6 Crocodiles had was to create a maths game. First, we had to come up with a math concept and the type of game we wanted to make. Whilst playing the game, we had to adjust the design and rules many times to make the game successful and challenging.

Levels Awards

The following students achieved Bronze Level and will be presented with their Certificate at Assembly on Friday 9 May at 9:00am. Congratulations and thanks for setting the example at our school

K-1 Koalas **Hann Schoengen**

3-4 Galahs **Izabella Mason**

3-4 Galahs **Lucas McCarthy**

5-6 Bees **Ace Reid**

Thank you Mr. Oliver!

We want to give a big shoutout to Mr. Oliver, who has been with the K/1 Koala class for his practicum since the start of the term. As he wraps up his five weeks with us this Friday, we want to say a huge thank you for all his efforts in the classroom. The Koalas have loved having him teach them and will certainly miss him when he leaves.

We wish Mr. Oliver all the best as he continues his studies and moves forward in his teaching career. We're sure he's going to do great things!

Class Awards

Kinder Echidnas **Juliet King, Isabelle Pretorius, Zara Ridge**

K-1 Koalas **Ryder Johnson**

1-2 Magpies **Andrew Gillespie, Edith Lakai, Arlo Stacey**

1-2 Goannas **Ava Chapman-Brady, Kodah Gaiter**

K-6 Geckos **Davita Bugmy**

K-6 Sea Turtles **Isaac Critchley, Brooklyn Jones**

K-6 Wattles **Dean Murphy**

3-6 Budgies **Aaron Brooks, Lennyx Johnson**

3-4 Galahs **Lucas McCarthy**

5-6 Bees **Bella Peduto, Jaidah Denley**

NSW Public School Student Survey

Dear Parents and Carers

In Term 2, our school will be participating in the **NSW Public Schools Student Survey**, conducted by the NSW Department of Education.

This important survey invites students to share their thoughts on school life, including how engaged they feel in their learning and their experiences with teaching and learning practices. Their feedback is invaluable in helping us understand what is working well and where we can improve.

The information collected will support the Department's ongoing research into **student wellbeing and engagement**, helping to shape programs and policies that benefit all students across NSW public schools.

Participation in the survey is voluntary. If you would prefer that your child does not take part in the survey process, please inform the school office by **Friday 30 May 2025**.

We appreciate your support in this important initiative.

A concert not to be missed!

The Broken Hill Civic Orchestra presents

"A Winter Warm-up"

From Bach to Beethoven to Brahms

in the historic **WESLEY CHURCH**

corner of Sulphide and Cobalt Streets, opposite Sturt Park
