Healthy Harold

Last week students across the school were lucky enough to visit Healthy Harold and discuss all things health. Lessons were varied across different stages and focused on different topics, including friends & feelings, safety rules, bCyberwise skills and emotional regulation.

A massive shout out to our Specialist Teacher Alana and Harold for making the trip and helping us on our learning journey.

Bell Shakespeare Performance

Last day of Term 3

From the Principal

Welcome to Week 8

Today, we start Kinder transition! This means we welcome our new Little Northies to the school. We are excited to meet them and help them feel happy and safe. Thank you very much to Mrs Fisher for organising everything so well.

Next week, our school choir will sing at the Eisteddfodd. This is a special event where students get to sing and have fun with other schools. We wish our choir the best of luck!

This week at assembly, we will say thank you to our School Administrative and Support Staff, called SASS. They help the school in many ways, like helping teachers and looking after the school. We appreciate all their hard work. Thank you for being part of our school.

Pacer Rebate

Students from our school have recently undertaken, an educational tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australian's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding to our school in the amount of \$270.00 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion

Father's Day Sport Afternoon

We celebrated Father's Day on Thursday afternoon with a fantastic sporting afternoon. Students raced to tag their dads, throw their paper plane the furthest, be the ultimate Rock, Paper, Scissors champion or win it all in Rob the Nest.

The weather was superb, and lots of smiles and laughter was had. Thank you to all the significant parents & carers who joined in to make the afternoon a success.

Levels Awards

The following students achieved Gold, Silver and Bronze Levels and will be presented with their Certificate at Assembly on Friday 12 September at 9:00am. Congratulations and thanks for setting a positive example at our school
