PSSA Gala Days

In the final week of last term, students from grades 3 to 6 left their desks behind for cleats at the PSSA Gala Days, choosing between Soccer or AFL. Teachers were pleased with the students' excellent behavior and good sportsmanship.

Congratulations to the Senior Boys Soccer and Junior Girls Soccer teams for winning the pennant and finishing undefeated.

From the Principal

Welcome back to Term 3.

I hope you all enjoyed the break and the kids did not send you too crazy. We are so excited to have them back for another term of crazy busy. There is so much on. Check out the term 3 events attached.

At the end of last term student reports were sent home. If you did not receive your child's report please let us know ASAP and we will get it to you.

If you wish to have a catch up with your child teacher regarding their progress we will be holding Parent/Teacher interviews during Week 4. A form will be sent home later this week for you to indicate if you would like an interview and what days.

Canteen

We are excited to open our canteen every Wednesday and Friday starting this week. Orders can be made at the canteen or via the School 24 app. If you don't already have an account you can register online. Our school ID number is 25395963.

Real Schools

At Broken Hill North Public School, we're proud to be continuing our journey as a Real Schools partner. Our staff have started using Real Schools' practical skills and approaches in both classrooms and the playground, and we're already noticing the difference.

One simple yet powerful change has been implementing Preparation Circles before major school events like our North School Athletics Day and Gala Day. These circles allow students to talk, listen, and prepare together. The result? Excellent behaviour and participation from every student on both excursions.

It's early days, but the positive energy is real. Our teachers are seeing students step up, support each other, and bring their best selves to new situations. The Real Schools approach is helping us build a culture where every child feels included, respected, and ready to learn.

We're excited about what's ahead. As we keep growing with Real Schools, we know our students will keep surprising us with what they can achieve together.
