## Swimming Week

Thanks to all for your support of our Annual Whole School Swimming Program last week, all ran smoothly and all of our students K-6 showed great growth and improvement in the Aquatic skills over the 5 days.

Thanks to Life Saving NSW and the NSW Education Department of Education & Trainings School Sport Unit for their generous support which allowed all of our students to participate in 5 hours of quality swimming lessons for free, also to Lake's Coaches for getting us to and from the pool each day both in comfort and on time.

## Working Bee

All help will be greatly appreciated for a quick working bee to be held at the Bunnaloo Community Centre to set up the stage and unpack the chairs in readiness for our concert and end of year Presentation Evening.
