

Cambridge Gardens Public School

Innovation, Excellence, Connections & Fun

CLASS DISCO INFORMATION

Welcome to another exciting year at Cambridge Gardens Public School. My name is Mr Jeremy Dearie and I am pleased to be your child's teacher in Class Disco this year. This is my 6th year teaching at Cambridge Gardens Public School and my 4th time teaching Stage 3 students. This year, our class names are based on dance styles. We are named after disco because discos are fun and I like to ensure that students in my classes always have fun and enjoy coming to school.

Class Disco is a composite Year 5/6 class. Our class will be in the demountable located at the bottom of Area 2. In our class, our aim is to strive towards excelling at being safe, respectful and proud learners at all times, and of course to have fun whilst doing so. In Class Disco, we will have many opportunities to achieve and demonstrate these values through our everyday learning activities.

About me: I am a proud father of three, ranging in ages from sixteen to twenty-one. My family also includes many furry and feathered friends. I always wanted to work in education and have been lucky enough to be able to do so for the last 8 years. My other passion is sport. I enjoy watching and participating in all sports. My favourite teams are Parramatta Eels in the NRL and Manchester United in the EPL soccer.

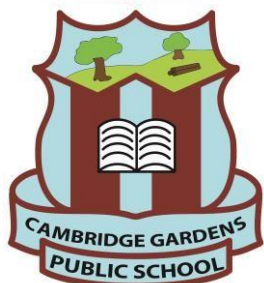

I am greatly looking forward to all of the fun and interesting incursions and excursions this year, particularly the Canberra Camp. I am also excited to see all of Class Disco's students get involved in the various additional opportunities available in sport and high interest areas, such as debating, chess, dance and many more. Together we will work towards our personal learning goals and achieving our learning intentions across all subject areas, that will make us, our families, and our school proud.

Please ensure that any personal belongings your child brings to school, such as hats, toys, sporting equipment etc., are clearly labelled so that they are not lost or misplaced.

Warmest regards,

Mr Jeremy Dearie
