

## Class Salsa

Hi, my name is Noelle Stoeckl.

I live in the Lower Blue Mountains with my husband, two children and dog. My youngest daughter completed year 12 last year, so both of my daughters will be at Uni this year. It is a shock how quickly the time goes. It seems like it was yesterday that they were starting school. I was born in New Zealand and moved to the Eastern Suburbs when I was nine. I went to primary school in Bondi-where else does a Kiwi go to school! However, I have lived all over the place since moving to Sydney. I went to high school near Randwick and when I was at Uni I lived in Sutherland Shire.

Suburbs when I was nine. I went to primary school in Bondi-where else does a Kiwi go to school! However, I have lived all over the place since moving to Sydney. I went to high school near Randwick and when I was at Uni I lived in Sutherland Shire.

I have been teaching for over twenty-five years and have worked in a variety of roles, settings, and schools. I have even taught in London! Which was before I had children. I enjoy overnight hiking and bush walking with my husband. I have an interest in sustainability, gardening and protecting the natural environment.

I have been part of Cambridge Gardens Public School staff since 2013. I have taken on various roles throughout this time, such classroom teacher, learning support teacher, RFF teacher and Librarian. I have taught students from Kindergarten to Year Four at our school. I am excited to be teaching Year 2 this year with class Salsa. Class names this year are based on dance styles not party food! So we will try to learn a little bit of the dance but no promises it will be Dancing with the Stars level! We will be having sport on Wednesdays, but library days and excursions are yet to be confirmed. I am looking forward to a fabulous year with year two. Please feel free to contact me with any questions or concerns via the school phone number or school email.

Mrs Noelle Stoeckl
