Dear Parents,

Above is the information about Makeup requirements for our Schools Spectacular dance item. Do not worry about the diamantes, we will have them ready to apply before the shows. If you do not have bun hair nets, we have spares we can distribute to the students on the first performance day. They may keep these and reuse the next day.

If you are confident to apply make up, as shown above, please do so before you drop your child off on the performance days. If you are not confident, Mrs Vella and I will apply the makeup before our dance segment. Please provide your child with their own eye liner, foundation, pink lipstick and hair touch up items and ensure they have these products with them on the following performance days: Thursday 27th, Friday 28th and Saturday 29th November. We will have the eyeshadow colour if you can not source any. Any questions? Do not hesitate to contact the office and we will get back to you as soon as possible.

We have been notified that Spec Fest will be cashless. Students who remain with us during the Saturday show break will need a debit card to purchase food.

Thank you for your continued support.

Alanna Vella and Rose Antonelli
