

CARCOAR PUBLIC SCHOOL NEWS

Mr Bullock

FROM THE PRINCIPAL

The new school year is well underway at CPS, and we are thrilled to welcome 30 eager students ready for another exciting year of learning! A special welcome to our six enthusiastic kindergarten students and their families, as well as the four new students joining us across other year levels. It's wonderful to see our CPS family and the Carcoar community growing.

Although we've only been back a few weeks, we've hit the ground running with weekly gymnastics lessons, delicious fortnightly lunch orders from the Village Grocer, and engaging classroom learning experiences. We also kicked off the year with our Swimming Carnival on the second day back, proudly keeping the shield for another year!

Our free weekly playgroup continues every Thursday, offering a fun and supportive space for families with children aged 0-5.

With plenty of exciting plans ahead, we look forward to a fantastic 2025 and invite everyone to stay connected and involved in the wonderful things happening at CPS!

Meet the 2025 School Captain ✨

ADELIA

Hi, my name is Adelia! I'm 10 years old and have been at CPS since Kindergarten. Ever since I started school, I've dreamed of being a School Captain, and I'm so excited to finally get the chance!

3 things I like:

-  Splashing around and having fun in the pool!
-  Getting creative with art!
-  Flipping, jumping, and cheering in gymnastics and cheerleading!

The best thing about CPS is that everyone knows each other, and we all work together like one big team!

I can't wait to bring Footy Colours Day to CPS in 2025.
Who's your team for 2025?
Let's show off those colours!

Meet the 2025 School Captain ✨

KOBI

Hi, my name is Kobi! I'm 11 years old and have been a proud student at CPS since Kindergarten. I'm excited and honored to be your School Captain!

3 Things I like:

- 🏀 Playing any kind of sport
- 🎨 Drawing and getting creative with art
- 🎮 Playing online games like Minecraft!

What I love most about CPS is the awesome history of our school and village—it's been around for so long and has so many cool stories!

I can't wait to bring Milkshake Mondays to CPS in 2025! It'll be a fun way to raise money for new things at our school.

K-2 NEWS

Morning Circle forms the beginning of our school day. It's a time for connection and to prepare for our learning. We have discovered lots of interesting things about each other, such as our favourite foods, which include doughnuts and pizza, and a love of green apples! I was thrilled to hear that a few students named Monday as their favourite day of the week.

A big welcome to our 6 Kindergarten students and to Mary, who joins us in Year 2!

Thank you to the entire school community for making me feel so welcome. I have been blown away by the big smiles that have greeted me.

Mrs Rankin

Mrs Carter

It was a wonderful day for our Kindergarten to Year 2 students! They enjoyed delicious banana and chocolate chip pancakes, filling the atmosphere with excitement. The little ones munched happily, their faces glowing with delight at the sweet combination. Snack time turned into a fun experience, filled with laughter and giggles!

A big thank you to playgroup for sharing their pancake creations with us!

3-6 NEWS

We've had a fun and jam-packed start to 2025. Students are engaged, enthusiastic, and settling in well. A special welcome to George in Year 4 and Leda and James who've joined us for Term 1 all the way from Germany!

We've started a maths unit on numbers and have begun exploring 5, 6, and 7-digit numbers. Through engaging games, students are learning to read, order, and explain these numbers.

Over the break our veggie garden continues to grow and we were surprised to see a nice big bunch of ripe tomatoes in our garden. We enjoyed working together to make some bruschetta.

If any families or community member have skills in vegetable gardening and some spare time, please come and chat to Miss Summerson.

The students have thought hard about their learning goals for 2025 and we have displayed them in our classroom as a daily reminder. Some things our students would like to learn include speaking a different language, learning about different cultures, and increasing gymnastics skills.

Miss Summerson

Mrs Rhodes

GYMNASTICS

We're jumping, rolling, and balancing our way into an exciting new sport for Sporting Schools this term—Gymnastics with ZJC Gymnastics, Blayney!

Our students are getting the chance to twist, tumble, and try something new.

It's all about strength, coordination, and most importantly—having FUN!

PLAYGROUP

Our playgroup is the perfect place for little minds to explore, create and connect.

Pancake Playgroup!

There was plenty of mixing, measuring, cracking eggs, and whisking—plus lots of giggles along the way as we made delicious banana pancakes!

Check out our super simple recipe below:

INGREDIENTS:

1 small ripe banana

1 egg

2 tbsp SR flour

METHOD:

Mash banana in a medium bowl until smooth. Whisk in the egg, then flour, until combined. Spoon 2 tablespoons of batter into a hot pan, cook for 1-2 minutes or until bubbles start to appear. Turn and cook for a further 1-2 minutes or until pancakes are golden and cooked through.

CURRICULUM CONNECTIONS

Mrs Hicks

As we look forward to 2025, I'm excited to share some updates on our classroom priorities. Our commitment to providing the best learning experiences for our students remains strong, and we have some innovative strategies in place to support their growth.

Explicit Teaching Methods

Building on last year's success, we will continue to implement explicit teaching strategies in our classrooms. By breaking down complex concepts, we aim to enhance students' understanding and boost their confidence in learning.

Support for High-Potential Students

Recognizing that every child learns uniquely, we will offer specialized programs for high achievers and gifted students who may seek additional challenges. These programs will foster creativity and critical thinking, empowering them to realize their full potential.

Understanding Learning Objectives

By explicitly defining the learning objectives for each subject, students gain insight into the purpose of their studies and the significance of education.

Working Together for Success

We acknowledge that collaborating with families is vital for student success. We look forward to joining forces with you to support your child's educational journey! Together, let's make 2025 a remarkable year!

Tracey Hicks | Assistant Principal, Curriculum and Instruction

FROM THE P&C

Firstly, I would like to welcome our new families to our beautiful school!

For those who don't know what our P & C does, we are a voluntary committee who help raise money for our school and students. We work closely with staff to help provide our kids with awesome opportunities throughout the year.

In 2024 we worked hard raising money to help provide a bus for our students to get to swimming each term, we were able to donate some money to support a student who made it to State for Swimming, purchased a lectern for assemblies and as a thank you to all our 2024 families, provided a school credit as well as a meat voucher.

We do many fundraisers over the year averaging two a term.

We would love for you to be involved in helping support our students. Our P&C meets roughly twice a term, with our first meeting for 2025 being held on Monday 24th February at 3.15 in the library.

A membership form can be found at the back of the newsletter. We would love for you to join us!

If you have any questions, please don't hesitate to contact me 0414 934 842 text/call is fine or email the Executive committee at carcoarpnc@gmail.com.

Em Jenkins | Carcoar P&C President
