

Caringbah High School

Uniform Policy

The NSW Department of Education Behaviour Code for Students states that in NSW public schools, students are expected to comply with the school's agreed uniform policy and dress appropriately by wearing school uniform each day.

At Caringbah High School, wearing the full and correct uniform every day is an expectation. Wearing the school uniform promotes a strong sense of belonging, pride in our school, inclusion within our school community and a shared identity built on high standards.

Students, teachers, parents and carers, as well as members of our local community helped develop our school uniform reflecting shared expectations and values.

Students are responsible for managing their uniform to ensure all required items are worn correctly each day. Laundry issues are not considered a valid reason for ongoing or repeated uniform non-compliance.

During cold weather, students may wear only approved CHS uniform items, including the appropriate CHS jumper, cardigan or blazer. Students are encouraged to layer their CHS uniform items in very cold weather. Hoodies and other non-CHS regulation jumpers, pullovers or jackets are NOT permitted.

Uniform expectations are monitored daily at Caringbah High School. Period 1 teachers are responsible for recording uniform infringements in the school's roll marking system, PXP.

The table below outlines support and consequences for uniform infringements.

First infringement.	Period 1 teacher logs infringement in PXP. Warning issued via email by uniform co-ordinator.
Second infringement.	Period 1 teacher logs infringement in PXP. Student issued Level 1 behaviour by uniform co-ordinator. Half-lunchtime detention issued by uniform co-ordinator. Email to student and parent.
Third infringement.	Period 1 teacher logs uniform infringement on PXP. The student will be issued a Level 2 Behaviour and after school detention by Deputy Principal. Email to student and parent.
Continued infringements.	Period 1 teacher logs the out of uniform infringement on PXP. The student will be issued a Level 2 Behaviour and after school detention by Deputy Principal. Email to student and parent. If necessary, further actions may be taken for persistent non-compliance.

* If a student is on Level 2 Behaviour they are unable to represent the school or attend non-mandatory excursions for 25 school days. Refer to the CHS Behaviour Support and Management Plan for further details.

When parent/caregiver provides a written explanation

CHS recognises that genuine circumstances may occasionally impact uniform compliance. Where a written explanation is provided, the following process applies:

- Parent/Caregiver notifies school of uniform issue via email or written note.
- The Uniform Co-ordinator or Deputy Principal records the information in the school's system, so that period 1 teachers are aware.
- The student is given **5 days** to rectify the uniform issue.
- If still not rectified:
 - A Level 1 Behaviour and half-lunchtime detention are issued.
 - The student is given an additional 5 school days to rectify the issue.
- If still not rectified, a Level 2 Behaviour and afterschool detention are issued.
- Ongoing non-compliance will result in continued Level 2 Behaviour level and may lead to further actions if necessary.
