

# Casula Public School Behaviour Support and Management Plan

## Overview

Casula Public School is committed to providing an inclusive, proactive, prevention focused approach to behaviour where all students receive behaviour support appropriate to their needs. We explicitly teach and model the behaviours we value in our students in a safe, supportive and responsive learning environment.

All students have the right to be treated fairly and with dignity in an environment free from disruption, intimidation, harassment, victimisation and discrimination. To achieve this, the Casula Public School Behaviour Code incorporates comprehensive and inclusive strategies that create an environment with clearly defined behavioural expectations.

When parents enrol their children at Casula Public School they enter into a partnership with the school. This partnership is based on a shared commitment to provide opportunities for students to take responsibility for their actions and to have a greater say in the nature and content of their learning. Collaboration between school, students and parent(s) or carer(s) is an important feature of the behaviour code.

Each year Casula Public School will participate in the National Day Against Bullying. The NDA gives schools the chance to act and empower young people to be part of the solution when addressing bullying in their school community. It provides an opportunity to focus on bullying and the big changes we can make to create safer communities for everyone.

## Promoting positive student behaviour

To strengthen the wellbeing of all our students the **PBL Program** underpins our school Wellbeing Policy. The main purpose of the PBL program is to optimise the social, emotional and academic outcomes of all students. Its unique contribution is in identifying the social and emotional capabilities that all students need to acquire to be successful in school, experience wellbeing and have positive relationships. It encourages prevention, promotion and intervention efforts to build the social and emotional strengths of all students.

	Be a focused learner in all settings	Be a curious, creative learner.	Agree to and follow the rules of the game.	Order recess and lunch before 9:00am	Use the toilet during your break times	Speak clearly and explain why you are there.
	Complete all learning tasks to the best of your ability	Show grit when things are difficult and ask for help when needed.	Be an upstander.	Only buy food for yourself	Turn off taps and bubblers when finished	
	Be honest and take responsibility for your actions	Help and encourage others by being a good role model.				
	Ask questions and seek support if needed	Bring a library bag.				

**Berry Street Trauma Informed Practice-** In response to analysis and reflection of student behaviour data, the Berry Street Education Model has been incorporated into school wide practice. The Berry Street Education Model (BSEM) provides strategies for teaching and learning that enables teachers to increase engagement of students with complex, unmet learning needs and to successfully improve all students' self-regulation, relationships, wellbeing, growth and academic achievement. The pedagogical strategies incorporate trauma-informed teaching, positive education and wellbeing practices.

**The Wellbeing Support Program** - has been implemented at Casula PS to allow students to participate in a social-emotional skill building program where they collaboratively develop goals and complete activities to improve social competence and intrapersonal skills, with a Wellbeing Support Officer.

**Check In/ Check Out Program** - Students requiring additional support with behaviour and their social-emotional wellbeing are referred to our Check In/ Check Out Program. Identified at risk students choose a teacher mentor to meet with on a daily basis. The goal of the check in/ check out program is to support students to make positive choices. The teacher mentor will provide the student with feedback and set expectations to prevent future negative incidents.

## School-wide expectations – how we reinforce positive behaviour

## School Behaviour Support and Management Plan

At Casula Public School students are expected to:

- Respect other students, their teachers and school staff and community members.
- Follow school and class rules and follow the directions of their teachers.
- Strive for the highest standards in learning.
- Resolve conflict respectfully, calmly and fairly.
- Respect all property.
- Not bully, harass, intimidate or discriminate against anyone in our school.
- Respect all members of the school community and show courtesy to all students, teachers and community members.
- Comply with the school's uniform policy or dress code
- Attend school every day (except legally excused)
- Not be violent or bring weapons, illegal drugs, alcohol or tobacco into our school.

Casula Public School's positive behaviour support system is a whole school approach to creating a positive, safe and supportive school climate in which all students can learn. This support system assists all students to achieve academic and social success.

## Student Support and Management System

The Student Support and Management System provides clear and explicit examples of behaviours that do not reflect the positive habits of mind that underpin our school wide Positive Behaviour System. Whilst this system acknowledges inappropriate behaviour choice and student misconduct and the consequences of those choices, it also moves to provide restorative opportunities to support the learning and practice of expected behaviours. The system will be implemented in a consistent manner across all grades to help build a safe and supportive learning environment for all students. Staff at Casula acknowledge that students may require different types of intervention delivered in different ways along a continuum of care from prevention to more intensive individualised support.

This system is a levelled system and will be implemented in the following manner:

**Preventative interventions** aim to establish and maintain safe, respectful learning and play environments for all students.

**Early intervention** approaches address emerging, low level and potentially disruptive behaviours that may escalate if not addressed.

**Targeted interventions** are designed for students that are identified as at risk of developing negative behaviours unless support is provided.

**Individual Interventions** address more challenging or complex student behaviours and involve individual assessment, implementation, monitoring and review. Individual Interventions are research based.

## Behaviour Code for Students

The NSW Department of Education Behaviour Code for Students can be found at:

[Behaviour Code for Students](#)

High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching and planned responses.

## Casula Public School Behaviour Code and Level System

Casula Public School has an early, targeted and individual intervention levelled system that was introduced to address students displaying negative behaviours both in the classroom and the playground. This system will be implemented in the following manner:

**Level 1** – Warning: Students will be given the opportunity to reflect upon their behaviour choices and provided with support and guidance in the learning and practice of expected behaviours. Parents will be contacted by the class teacher.

**Level 2**- Parents will be contacted by an executive and the school and parents/carers work together to determine a more positive direction for the student. Students on this level will engage in **three** days of reflection at recess.

**Level 3** – Parents will be contacted by an executive and the school and parents/carers work together to determine a more positive direction for the student. Students on this level will engage in **five** days of reflection at recess.

**Formal Caution of Suspension:** Parents will be contacted by an executive and the school and parents/carers work together to determine a more positive direction for the student. Parents will be advised that a continuation of inappropriate or unsafe behaviour will result in the student being suspended. Students on this level will engage in **five** days of reflection at recess. This formal caution to suspend will remain in place for up to 50 school days.

**Suspension** - Contact parent/carer and provide them with an opportunity to meet with the school. Written confirmation will be provided detailing the reasons and duration of the suspension. The duration of suspension can be up to 5 consecutive school days for students in Kindergarten to Year 2 and up to 10 consecutive school days for students in Year 3 to Year 6.

## Partnership with parents/carers

Parents and carers play an important role in the school community. [The School Community Charter](#) informs parents and carers on how to engage with NSW public schools.

Casula Public School will partner with parents/carers in establishing expectations for parent engagement in implementing student behaviour management strategies.

Expectations will be communicated to parents/carers through P&C Meetings, Parent Information Sessions, Community Planning Dinner and School Newsletter.
