Election Day BBQ

The Cattai PS cake stall and BBQ was a big hit for those people that came to vote last Saturday. We had lots of out of area voters on the day who came in search of a quiet place to vote and a feed. A big thank you to our amazing P&C who put together a wonderful spread of egg and bacon rolls, sausages sandwiches and an abundance of cakes. Another thank you to those who made donations and a final thank you to parents, carers and community members who gave up their time to cook and run the stall. Over \$900 was made on the day which will go towards the P&C to help fund future projects at our school.

Phonics Tutors and Tutees

We are now over one week into our Phonics Tutoring program. This is where students from C3 support some of our C1 and C2 students along their phonics journey. It's held every Monday, Wednesday and Friday between 8:00am to 8:15am in C1's classroom. Our Tutors have a number of activities that they work on with our tutees. I am already seeing the early signs of success when I go to work with some of the students in learning support. The accuracy and fluency is increasing and we have even had our first student move up a level and the tutor and tutee made a phone call home to parents with the amazing news. The Phonics Tutors will also be receiving their badge at the next parent assembly on Friday the 30th of May at 1:30pm for any parents that are able to come and see this short presentation.

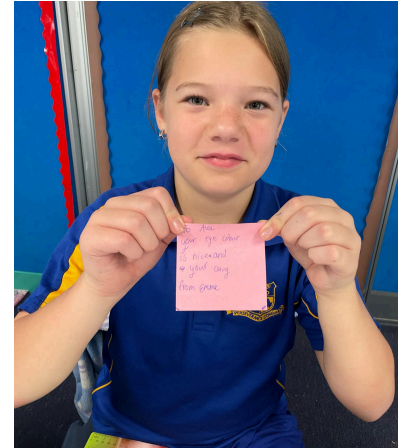

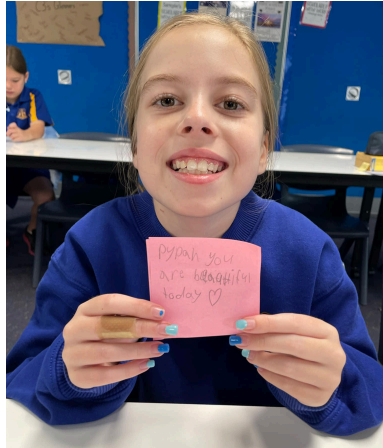

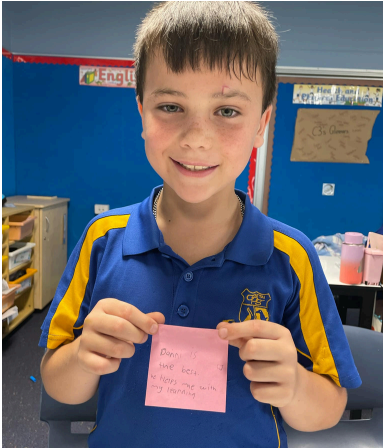

Small Schools Soccer Knockout Competition

Cattai PS will be entering the Small Schools Soccer Knockout competition this term. This is a competition where all small schools across the state are able to enter a team. It's a 11 v 11 game that will run for 25 minutes each half. Our first game is against Arcadia PS. Over the next week or so I will be confirming the 14 players who are successful in being selected in the team as well as our first game time and location. I look forward to seeing how well our players go and how much learning and fun we will have along the way.

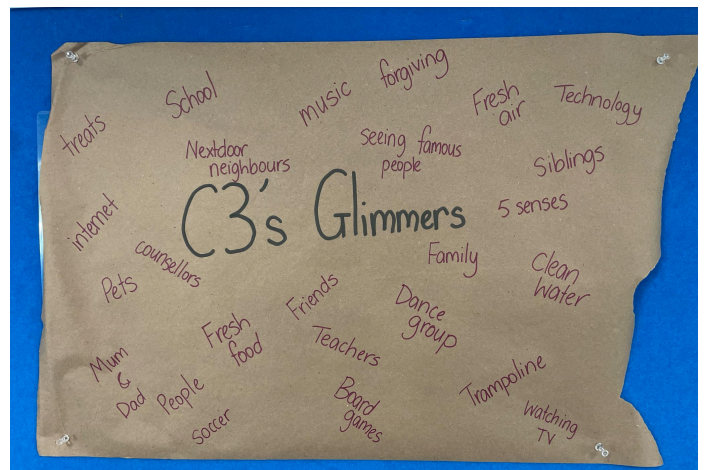

Cattai PS Dance Group

This term our dance group has been putting the final touches on our audition performance which at the time of reading will have been submitted of the HPAF committee. The students have been working hard this week rehearsing twice at recess and twice at lunch each day to lock the dance into our long term memories. A big thank to Mrs Reddy and our Year 6 and Year 5 girls for their input into the choreography of the dance. Fingers crossed we can make it into the HPAF for a second year running.

SPOTLIGHT ON C3

This term C3 have been learning to recognise and appreciate the small, everyday moments that are often overlooked- like the warmth of the sun, the kindness of a friend, or the joy of a shared smile.
