Thursday 18th
December

Newsletter Week 1

Welcome back to school!

It was wonderful to return to such lovely weather and healthy smiling children. Everyone has returned with beautiful manners, enthusiasm for learning and lots of energy.

Bird Call Olympics

Our first whole-school event for the term was the Bird Call Olympics school final. Thank you to our judges Ann and Mandy who had the challenge of selecting our school representatives to compete at the Bournda Bird Calling Championships at Potoroo Palace next week. Congratulations Pippy, Tully, Evie Jay, Dylan, Heidi, Otto, Leon and Bowie!

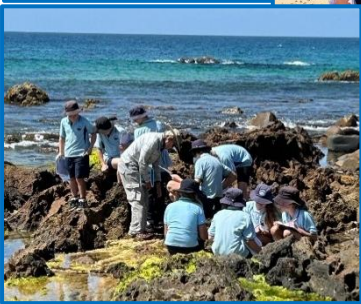

School Swimming Program

Our annual learn to swim and extension squad program started today. Every year student swimming skills and water safety improve through our program. It is also a lot of fun!

Parent Teacher Interviews

Thank you to the parents who selected interview times with teachers. We look forward to discussing your child's learning and progress with you. If you missed out and would like an interview, please contact us to make an appointment.

We had a fantastic day at Mystery Bay learning about the Marina Park, classifying molluscs, features of seaweed and collecting data. The whales put on a spectacular show too!

Huge congratulations to the K12 children who participated in the Bird Calling competition on Wednesday. Our judges, Mandy and Ann, were very impressed with the range of birds and the skill level and bravery of the children. Bronte was selected as the school reserve, but the judges stressed that many of our younger children are well on the way to becoming bird calling champions of the future!

Gene- Lyrebird
Anna- Kingfisher
Forest- Kookaburra
Amber- Whipbird
Matilda- Boobook
Hana- Kookaburra
Bronte- Gang Gang

Each year, the Moruya Agricultural Show organisers get in very early to ask for entries for their competitions. The theme for 2026 is *Putting the 'Moo' back in Moruya*. We completed individual colouring pages as well as contributing to the class mural.
