Mr Robin Chand  
Chatswood High School  
24-58 Centennial Ave  
CHATSWOOD NSW 2067

DGS26/3

Dear Mr Chand,

It gives us great pleasure to congratulate you, your team and your students on the results achieved by Chatswood High School in the 2025 Higher School Certificate.

You, your leadership team and the Chatswood High School broader community have much to celebrate in this achievement. Our Plan for Public Education reflects our collective commitment to ensuring opportunity for all and to changing lives through learning. We know that real and sustained improvement are only possible where strong leadership is matched by a highly skilled, professional staff united by a shared purpose and focus on continuous improvement. It is encouraging to see Chatswood High School exemplify these qualities so clearly.

In the 2025 HSC, Chatswood High School was recognised as one of the most improved schools across the state. Your school has shown consistent growth in HSC attainment, alongside improvements across a wide range of student performance measures. This places Chatswood High School among the strongest improvers statewide and underscores your school's sustained focus on improvement, and the vital role played by your dedicated staff in maintaining this momentum.

Your commitment to evidence-based practices, including the use of quality formative assessment data to differentiate learning, has ensured all students can successfully access the curriculum. We also acknowledge your staff's dedication to reflective practice, which has strengthened effective teaching practices across all classrooms.

Importantly, this success is the result of collective effort. It reflects the dedication of the entire Chatswood High School team in delivering high quality learning experiences in every classroom that both support and stretch our students.

Congratulations once again on this well-deserved recognition. On behalf of the students at Chatswood High School we extend our gratitude to you and your staff for your steadfast dedication to public education.

We wish you ongoing success in 2026.

Yours sincerely,

Prue Car
