

School Bytes Translation – How To

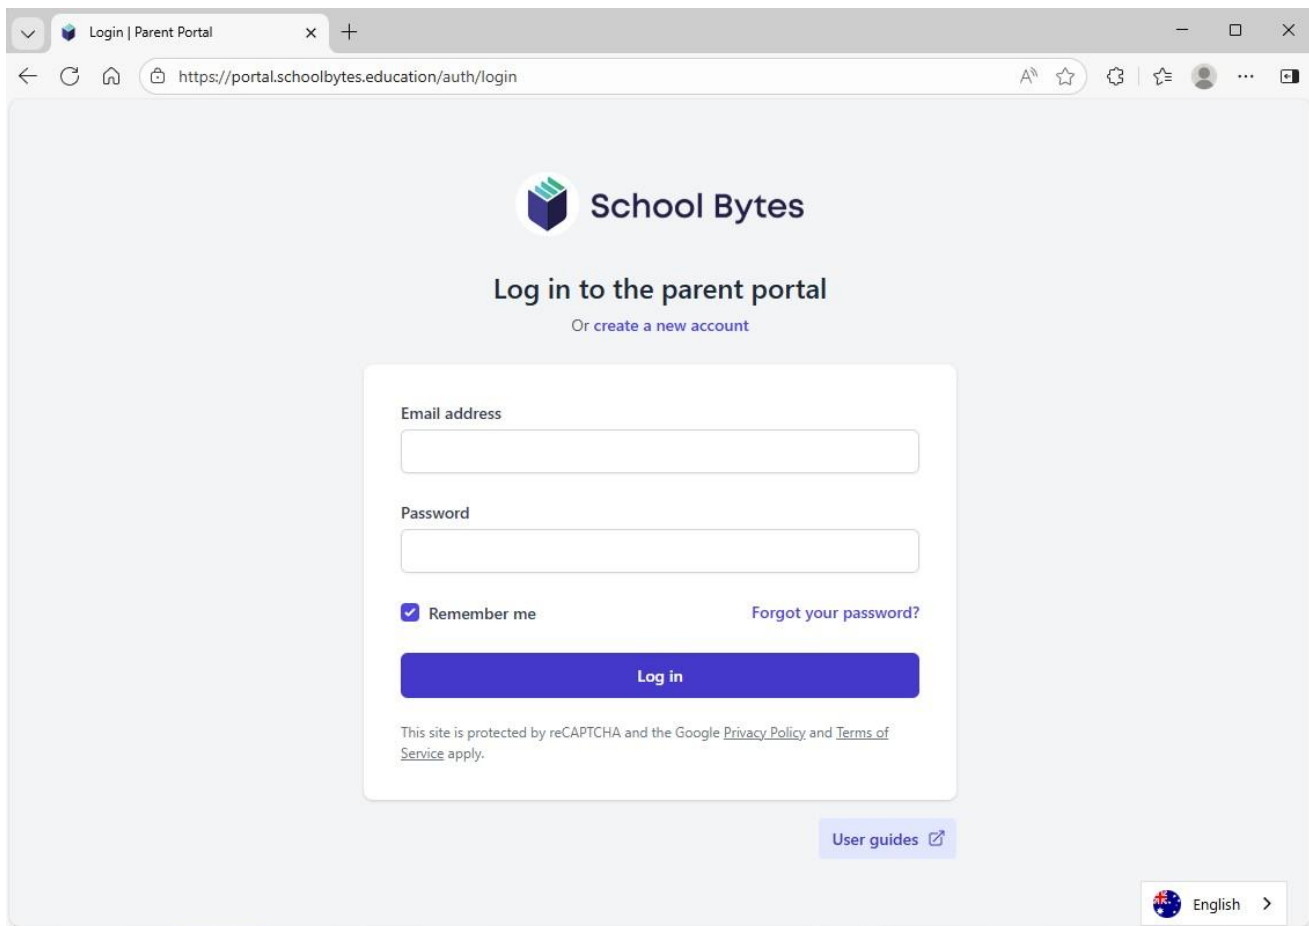

School Bytes offers convenient language conversion tool in our parent portal and online forms. Here's how you can use it:

1. For the parent portal:• Log in at <https://portal.schoolbytes.education/auth/login>• Look for the language conversion tool in the bottom right-hand corner• Select your desired language from the list
2. For online forms and emails:• The conversion tool is located in the bottom right corner• Scroll through the language options and select your preferred one

The content will automatically convert to your chosen language.

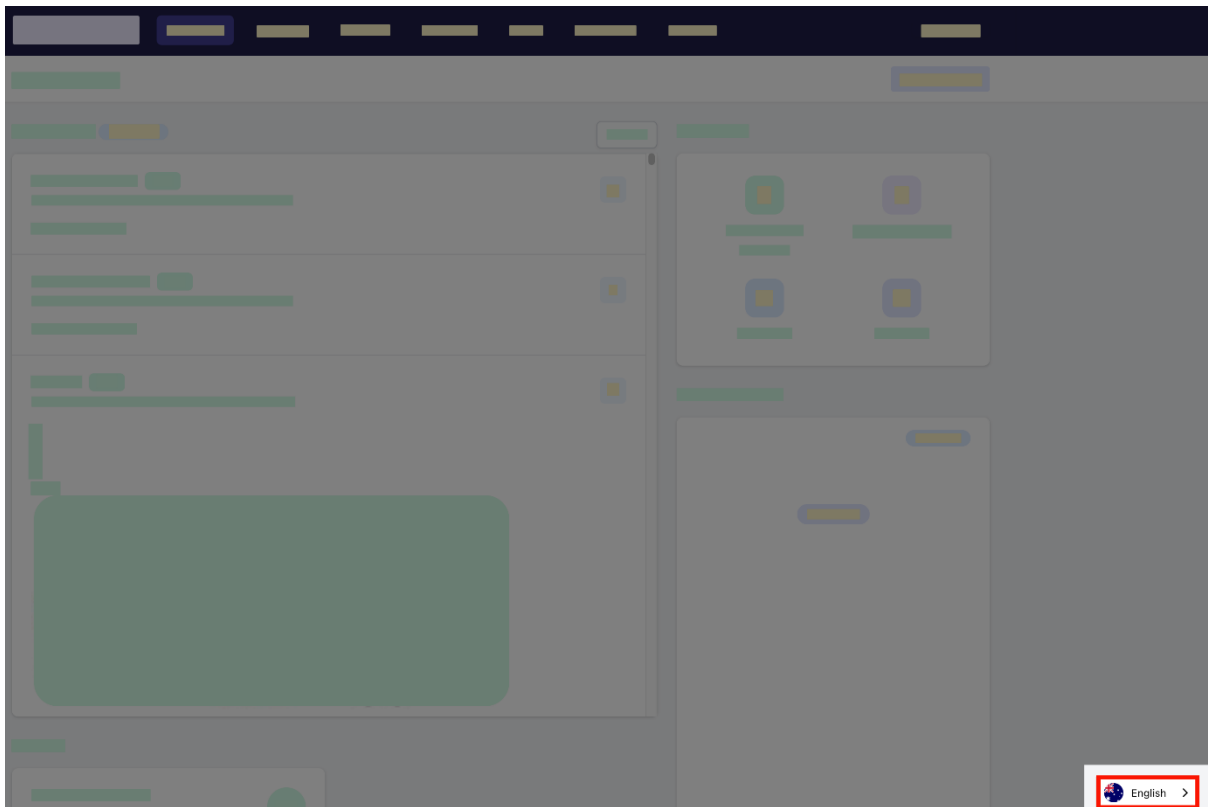

Note: The language conversion tool isn't available in the School Bytes app version of the parent portal, so we recommend using a browser for the best experience.

1. Log into the parent portal – <https://portal.schoolbytes.education/auth/login>

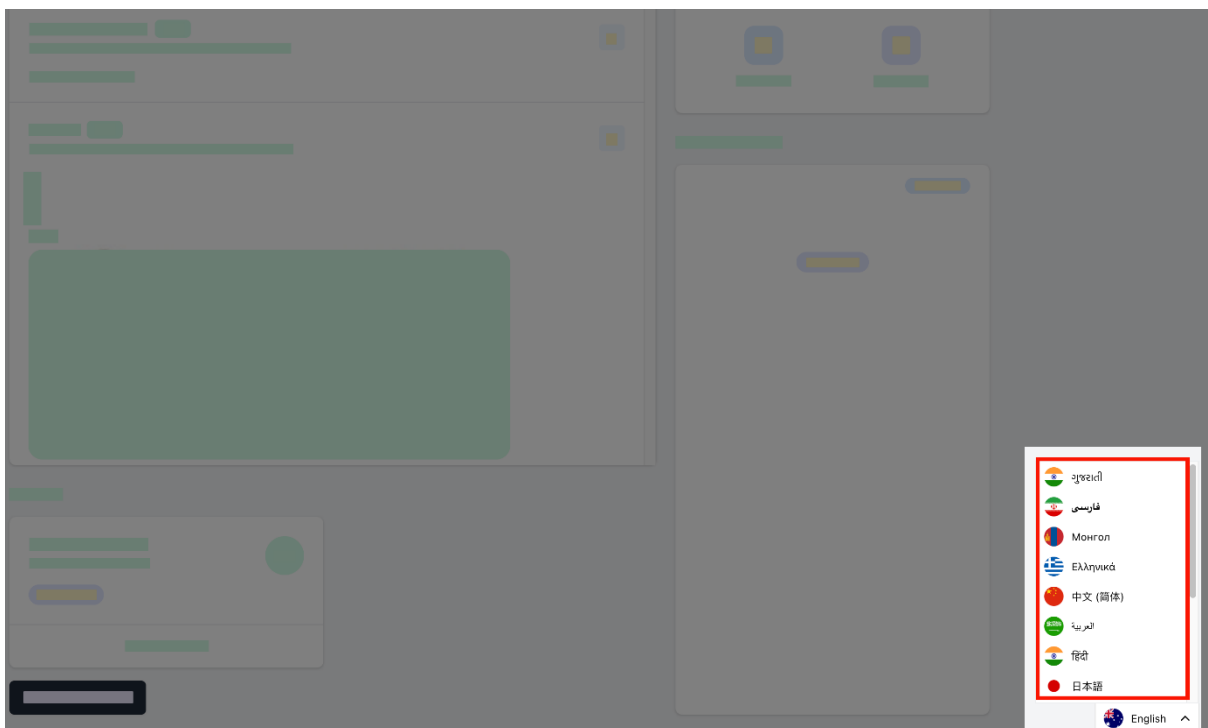

The screenshot shows a web browser window with the URL <https://portal.schoolbytes.education/auth/login>. The page features the School Bytes logo at the top center, followed by the heading "Log in to the parent portal" and a link "Or create a new account". Below this is a login form with two input fields: "Email address" and "Password". There is a checked "Remember me" checkbox and a "Forgot your password?" link. A blue "Log in" button is positioned below the form. At the bottom of the form, a small text line reads: "This site is protected by reCAPTCHA and the Google [Privacy Policy](#) and [Terms of Service](#) apply." In the bottom right corner of the page, there is a "User guides" link with an external icon and a language selector showing "English" with a right-pointing arrow.

2. Select the language conversion tool.

3. Scroll through the list and select the desired language.

The content will automatically convert to the chosen language.
