Coffs Harbour High School

School Uniform Policy

The students of Coffs Harbour High School are very proud of their school and the wearing of the school uniform is an expression of this pride.

The wearing of school uniform is part of school policy at the request of the P&C Association. Wearing school uniform encourages pride, and improves school tone and conduct. It also provides greater security for students travelling to and from school and within the school grounds, as intruders can be clearly identified. We rely upon the assistance of parents to support their children in the wearing of school uniform.

Our school canteen can supply most school uniform items at very reasonable prices (excluding socks and shoes).
