

# COMO WEST CONNECTION POINT

by Felicity Preston, Principal

Welcome back to another school year and welcome to our new Early Stage 1 students! I've had the pleasure of getting to know them by conducting their Kindergarten Best Start Literacy Assessment which has been a delight. It has been a great week of learning and play and getting to now their buddies. Many pics follow.

Details of classes and teachers will be in the Newsletter which will be out next week. Due to The Connection Point being a weekly source of celebrating our school and what's coming up, the Newsletter will now be a Term Newsletter. It will contain the Term Overviews for each Stage as well as relevant information about school processes, and information from the Department of Education, the various P&C committees and other wider pertinent community information.

Daily and weekly information will continue to be sent out on School Bytes to the relevant group/s. I will be available during next week's Meet the Teacher afternoon sessions if you would like to catch up - just pop in. (Meet the Teacher details were sent through School Bytes earlier this week.)
