

COMO WEST CONNECTION POINT

by Carly Magee, Relieving Principal

In Week 3, families received an email via School Bytes with a link to the NSW Primary School Survey. This is a valuable opportunity to share your experiences with our school across areas including communication, inclusion, wellbeing, and how your child's learning is supported. Thank you to the 31 families who have already completed it — if you haven't yet, it only takes around 10 minutes and only needs to be done once. Reminder flyers have also been sent home this week.

We're also looking forward to celebrating Wellbeing Week at CWPS in two weeks' time (Week 6). Wellbeing Week is all about focusing on mental health, balance, and connection. To support everyone's wellbeing, there will be no homework, no assessments, and no meetings for staff during that week. Instead, we encourage students and staff to take time to recharge and participate in activities that foster positivity, inclusion, and a strong sense of belonging. The SRC has planned engaging and fun activities for each day, and on Friday morning that week, we'll host a wellbeing breakfast for students, parents, and staff before school. Please complete the Google Form sent home today to assist with catering. We hope you can join us for this special event!

Preparations are well underway for the next phase of our Garden Project: planting! We will be holding a Garden Project Day on Saturday, 13 June. Our last clean-up day was a fantastic success, and we warmly invite those who joined us previously — as well as anyone new who loves gardening — to come along and help our school garden flourish.

Finally, this is our last edition of Connection Point. From next week, you will find us on Facebook, where we will continue to share weekly overviews, classroom highlights, upcoming events, and celebrations of student success. We look forward to continuing this journey with you in a new and exciting way.

Next Week - Thursday- Crazy Cupcake Day

COMO WEST CONNECTION POINT

Leadership By the Bay

On Wednesday, our student leaders proudly participated in the 2026 launch of Leadership by the Bay, hosted by Woollooware High School. This HPGE initiative empowers students to develop impactful school projects designed to benefit their peers. Throughout the program, students receive guidance from mentors at a neighbouring high school and gain inspiration from engaging keynote speakers. Over the next six months, our leaders will implement their project, including exciting planned changes to an area of our playground. They are committed to bringing the Como West community along for the journey, ensuring everyone is involved and informed as the project unfolds. We look forward to seeing the positive difference this student-led initiative will make in our school!

COMO WEST CONNECTION POINT

Stage 2 Sutherland Basketball Clinic

We were thrilled to welcome representatives from Sutherland Sharks basketball to CWPS this week! The visit gave our Stage 2 students an exciting opportunity to engage in fun basketball activities, and be inspired by some local sporting heroes. It was a fantastic experience that encouraged teamwork, healthy competition, and a love for the game. Thank you to the Sutherland Sharks for making the visit so memorable!

COMO WEST CONNECTION POINT

ONE MEAL

One Meal are a local charity who provide meals to people in our community who need it most.

The Year 6 Leadership Squad are excited to announce that Como West PS will be contributing to this great cause by preparing breakfast packs.

Each stage is asked to donate the following items, and to bring them to your child's classroom.

Kindy and Stage 1 bring small milk 6 packs that are 200ml and are long life.

Stage 2 bring cereal boxes or cereal packs.

Stage 3 bring in muesli bars.

Crazy Cupcake Day!!!

Thursday 21st of May at lunch.

50c/\$1

All different types of cupcakes.

Near the friendship bench.

All profits are going to OzHarvest!!!

COMO WEST CONNECTION POINT

Zone Cross Country

Yesterday was a fantastic day despite the rain. Congratulations to all the students who race yesterday and a special congratulations to Mia P and Finn M for making it through to regionals. We are so proud of everyone's efforts, determination and sportsmanship throughout the day
