NAIDOC Celebrations

Our school community came together in a vibrant celebration of NAIDOC Week on Monday, immersing ourselves in the rich cultures and traditions of Australia's First Nations peoples. Students enthusiastically participated in a variety of hands-on activities, including weaving bracelets, collaboratively drawing a magnificent rainbow serpent mural, crafting intricate waratah scratch artworks and engaging in traditional Indigenous games. These experiences not only fostered creativity and teamwork but also deepened our understanding and appreciation of Indigenous cultures. The week was a testament to the strength, vision and legacy of Aboriginal and Torres Strait Islander communities, leaving a lasting impact on all who took part.

Mega Waves

Last Mega Waves this week. Big thank you to Emma Verran from the Sharks for her amazing support and skill development for students at CWPS. The students loved every minute.

Bantastic

Fun Day at Bandtastic!

The Training Band had a wonderful day filled with music at Bandtastic on Tuesday, held at Engadine West Public School. Students from several schools came together to participate, including Como West, Connells Point, Loftus, Engadine West, Heathcote, Peakhurst South, Hurstville, Hurstville South & Stanwell Park Public Schools.

All students worked really hard, rehearsing all day on 5 pieces, which were performed for parents and grandparents at the end of the day. Everyone enjoyed a fantastic performance featuring 'In the Calm of the Starry Sky', 'The Bermuda Triangle', 'Our Tumultuous, Trustworthy & Terrific Trumpets', 'The Soul of Our School' and 'Stadium Rock'.

This opportunity showed how talented our students are and reminded us how important music education is for building confidence and creativity. A big thank you to Engadine Music for making this day so special!

Rugby League

Thank you to all the footy players for a magnificent abbreviated comp this term and kudos to our parent coaches, Mr and Mrs Bowdidge and Troy from Bonnet Bay, for making league stars for Friday footy.

The draw started with excitement for our junior and senior teams, both winning their first round. All players demonstrated fair and ethical play. I should highlight how the players' sportsmanship extended beyond the game, fostering positive relationships and character development.

Unfortunately, the washed out rounds deprived teams of playing each other twice. Regardless it has been an enjoyable season once again.

A highlight for PSSA 2025 Rugby League is our junior Eel team which remained undefeated and took out the title (well done boys). The seniors hopes of holding onto the plaque for another year were dashed by the Oysters and Sylvania Heights.

A special mention to our players from Bonnet Bay and Woronora. We have enjoyed playing with you boys for the third year in a row. We love your work!!!!
