Cross Country

This Wednesday's Cross Country carnival was a success by every measure, including the sunshine! Over the past two days our teachers have heard lots of comments from students who revealed how they demonstrated positivity and perseverance, even when their bodies ached! Well done to all the students who participated. Students who placed in the top three will receive a ribbon during the assembly, Friday of Week 4. They will also progress through to Zone, which is due to take place in the coming weeks. Thank you again to the parent helper volunteers who helped to keep our students safe.
