# 2025 Condong Public School Behaviour Support and Management Plan

## Overview

Condong Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning. Our Behaviour Support and Management Plan has been developed to cultivate a school-wide safe, respectful, and inclusive learning environment that fosters academic excellence and social and emotional growth.

Our Behaviour Support and Management Plan aims to inspire every child to participate positively in the school community and beyond. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community. Positive relationships with all members of our school community are key to the plan.

Through our school-wide rules of Be Safe, Be Respectful, and Be a Learner, that together embrace the principles of being a respectful safe learner, this plan aims to guide student conduct, nurture positive social interactions, and provide a framework for addressing behavioural challenges where student voice is encouraged and valued.

The wellbeing programs at Condong Public School prioritise social and emotional learning which supports good mental health, positive relationships and supports prevention of bullying. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses. Targeted professional learning for all staff in effective student wellbeing strategies is prioritised each year.

In compiling this plan, our school contributors have consulted with the following Department of Education policies and supporting documents: Student Behaviour Policy (updated 2023), Wellbeing Framework for Schools (2018), Behaviour Code for Students (2023), School Community Charter (currently being reviewed), Inclusive Education Statement for Students with Disabilities (updated 2022), Bullying of Students – Prevention and Response (2022), Strong Strides Together (2022).

# Partnership with parents and carers

Condong Public School will partner with parents/carers in establishing expectations for parent engagement in developing and implementing student behaviour management strategies by liaising with staff, students, Condong Public School P&C Association, and the Tweed/Wollumbin AECG.

Condong Public School will communicate these expectations by employing open communication methods (interviews/meetings, newsletter, email, phone), providing access to parenting and support workshops, and written confirmation of policy and procedures, including the School Community Charter which informs parents and carers on how to engage positively with our school. The School Community Charter which can be accessed at <a href="https://education.nsw.gov.au/schooling/parents-and-carers/going-to-school/school-community-charter">https://education.nsw.gov.au/schooling/parents-and-carers/going-to-school/school-community-charter</a>

## School-wide expectations and rules

Condong Public School has implemented the following school-wide rules and expectations:

## To be Safe, Respectful, Learners.

I am Safe – We encourage students to play safely, use school equipment in a safe manner, wear approved school hats in the playground, travel safely to and from school by bus or private transport and follow teacher instructions. Students play safely keeping their hands and feet to themselves, they ensure that they are in the right place at the right time and that they use equipment correctly.

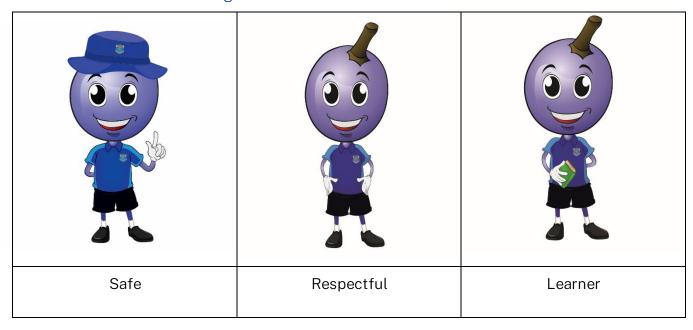

I am Respectful – We encourage students to share school spaces and facilities, show respect towards others and be responsible for their own behaviour. Students are expected to listen to and follow instructions and use appropriate language.

I am a Learner - We encourage students to embrace the positive culture of our school, encourage others to do their best, to take positive ownership of their learning, setting personal goals and being an active and supportive member of our school. They are encouraged to ask for help when needed, work together collaboratively and be ready to learn.

Condong Public School's Behaviour Support and Management Plan is underpinned by the following fundamental beliefs:

- Both students and staff have the right to work in a safe and predictable environment whereby all stakeholders feel physically and emotionally safe.
- Trust is a core principle of our policy, underpinning the foundation of a nurturing and inclusive environment.
- Throughout all interactions, the integrity of staff and students is crucial to building positive and respectful relationships.
- Students must be aware of, through explicit teaching, the expected standards of behaviour.
- All staff are required to maintain consistency when upholding the expected standards of behaviour.
- Consequences for inappropriate behaviour aim to establish connection and accountability. These consequences are transparent and agreed upon by staff, students and parents.

## Whole school approach across the care continuum

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyberbullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- stating and explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement
- discouraging inappropriate behaviour
- providing active supervision of students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all students.

# Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

A behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. A behaviour of concern does not include low-level inappropriate or developmentally appropriate behaviour. Bullying behaviour involves the intentional misuse of power in a relationship, is ongoing and repeated and involves behaviour that can cause harm.

Condong Public School staff will staff will identify inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying through a range of channels, for example:

 directly observing a child or young person's behaviours, interactions, verbal communications, or work produced (such as written materials, performances or artworks)

- a person disclosing information that is not previously known, either because it is new information or because it has been kept a secret
- concerns raised by a parent, community member or agency.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through the school counselling service, if needed and when School Counsellor is available.

Prevention	Early Intervention	Targeted/Individualised
Responses to recognise and reinforce positive, inclusive and safe behaviour	Responses to minor inappropriate behaviour	Responses to behaviours of concern
1. Behaviour expectations are taught and referred to regularly. Teachers model behaviours and provide opportunities for practice. Students are acknowledged for meeting school-wide expectations and rules.	1.Refer to school-wide expectations and/or emotional regulation visuals and/or supports so that the student can self-regulate.	1. Seek help from principal or other staff member if there is a risk to safety. Otherwise notify principal ASAP.
1. Verbal and non-verbal specific positive feedback is paired with a positive, tangible reinforcer in a school-wide continuum for acknowledging expected behaviour.	2.Use indirect responses including proximity, signals, nonverbal cues, ignore, attend, praise, redirect with specific corrective feedback	2. Principal/CT to take immediate steps to restore safety and return the situation to calm by using appropriate strategies such as: redirecting to another area or activity, providing reassurance or offering choices. Incident review and planning is scheduled for a later time determined by the context and nature of the incident.
3. Tangible reinforcers include those that are:  • free and frequent  • moderate and intermittent  • significant and infrequent Intermittent and infrequent reinforcers are recorded on the centralised recording system.	3.Use direct responses e.g. Rule reminder, re-teach, provide choice, scripted interventions, student conference. Students have an opportunity to meet the classroom/playground behaviour expectation before a low-level consequence is applied.	3. Principal collects information and review the incident from multiple perspectives and determine next steps. Principal records the incident on the centralised recording system and contact parent/carer by email or phone. Principal may consider further action e.g. formal caution/suspension.
Teacher/parent contact	Teacher/parent contact	Teacher/parent contact
Teacher contact through the parent portal or phone calls home are used to communicate student effort to meet expectations.	Teacher contacts parents by phone or email when a range of corrective responses have not been successful.	Principal contacts parent/carer to discuss any support and behaviour responses, including referral to the LST, outside agencies or Team Around a School.
	In some cases, individual planning and referral to LST may be discussed.	SCHOUL

## Responses to serious behaviours of concern

Responses, including students who display serious behaviours of concern, are recorded in the centralised recording system. These may include:

- review and document incident
- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team
- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- reflection and restorative practices (listed below)
- liaise with Team Around a School for additional support or advice
- communication and collaboration with parents/carers (phone, email, parent portal, meeting)
- formal caution to suspend, suspension or expulsion.

The NSW Department of Education <u>Student Behaviour policy</u> and <u>Suspension and Expulsion procedures</u> apply to all NSW public schools.

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from school
- on school-endorsed activities that are off-site
- outside school hours and off school premises where there is a clear and close connection between the school and students' conduct
- when using social media, mobile devices and/or other technology involving another student or staff member.

## Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the:

- Incident Notification and Response Policy
- Incident Notification and Response Procedures
- Student Behaviour policy and Suspension and Expulsion procedures.
- If a behaviour of concern is also a child protection matter use the <u>Mandatory Reporting</u> Guideline Tool.

Students and/or parents/carers can report cyberbullying to the <u>eSafety Commissioner</u> and reporting links for most sites, games and apps can be found at the <u>eSafety Guide</u>.

# Detention, reflection and restorative practices

Strategy	When and how long?	Who coordinates?	How are these recorded?
Reminder of expectations  A brief conversation with the classroom teacher of other member of teaching staff to remind the student of classroom or school rules and expectations. The purpose is to prevent disruptive or low-level behaviour from escalating. Enact restorative practices.	Next break	Class teacher or other member of teaching staff	All records kept in School Bytes Wellbeing module
Reflection process  A structured debriefing and planning after a breach of behaviour with an individual student (reflection). This involves withdrawal from free choice play and re-allocation to office or classroom for supervision during a break following a breach in behaviour. The purpose is to assist the student to achieve the desired behaviour, to reflect on their behaviour and make positive choices – individual or group. Enact restorative practices.	Depending on the time of the incident, the same day or next day at play break for up to half a break	Teacher Principal	All records kept in School Bytes Wellbeing module. Parents receive a phone call **and a copy of the reflection sheet to sign and return the next day
Re-set A structured debriefing and planning after a crisis event or behaviour of concern with an individual student. The purpose is to check the student's and parent / carer's understanding of why the behaviour breach was serious, to plan for future success and to conclude the episode. Enact restorative practices	The next day at school, or at a time deemed appropriate for the individual student	Principal	All records kept in School Bytes Wellbeing module. Parents have received a follow-up phone call

Toilet and food breaks are always included when withdrawal from free choice play at breaks is planned as a response to behaviour. The maximum length of time will be appropriate to the age / developmental level of the student.

<sup>\*\*</sup>The phone call will be from either the staff member involved in the incident (single incident of a medium or major breach of behaviour) OR, in the case of repeated, disruptive behaviour, the staff member conducting the Reflection Process.

## Condong Public School Anti-Bullying Plan

Condong Public School rejects all forms of bullying behaviours, including online (or cyber) bullying. We maintain a commitment to providing a safe, inclusive, and respectful learning community that promotes student wellbeing. Staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

All members of the school community are active participants in building a welcoming school culture that values the individual and fosters positive relationships. A key component of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff are pro-active about anti-bullying messages and programs, and actively respond to any student bullying behaviour.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through the school counselling service.

#### Our school is committed to:

- Minimising all forms of harassment or violence in the school or on-line
- Establishing a climate of respect for and caring for others which is supported by staff, students and parents / carers

## Our Anti-bullying Policy requires staff to:

- Be observant to signs of distress and respond as a matter of priority to reported bullying incidents
- Make efforts to minimise or prevent incidents by monitoring students in the classroom and playground (active patrolling)
- Take steps to help all students and apply procedural fairness
- Report incidents to appropriate staff members
- Participate in regular professional learning to maintain awareness of best practices
- Plan for and implement pro-active programs, events, explicit lessons and messaging to maintain student awareness of expectations

### Our Anti-Bullying Policy requires students to:

- Positively participate in programs and events
- Understand the definition of bullying, and how it is different to being rude or mean
- Demonstrate the school values of Safe, Respectful and Learner
- Use appropriate problem-solving strategies when they encounter disagreement
- Encourage and involve peers in activities in the playground and classrooms

## Our Anti-Bullying Policy requires parents and carers to:

- Be familiar with and supportive of the existing policies and procedures currently in place
- Understand the definition of bullying, and how bullying is different to being rude or mean
- Have open and positive lines of communication with their child's class teacher to address any issues or concerns in an appropriate way

Calm and engaged classroom Apply preventative strategies

Positive classroom climate, providing and teaching explicit PBL Expectations of I am Safe, I am Respectful, and I am a Learner engaging lessons, active supervision, offering pre-corrections

#### Observe behaviour

Does the behaviour pose a risk to the safety or wellbeing of the student or others?

NO

YES

#### Behaviours of concern

Manage it at teacher level.

De-escalate the situation by *calmly*:

- correcting the behaviour
- remind student of the expectations (allow 3 reminders)
- identifying student need
- ensuring student understands corrective response
- create a presence to help redirect the student

Has the behaviour stopped or improved?

YES

NO

Speak privately with student

- clearly and calmly state the issue and invite the student to come up with solutions with you to resolve the matter.
- follow the school-wide reflection and restorative processes.

Has the behaviour stopped or improved?

Serious behaviours of concern

Teacher to inform relevant staff and focus on safety

- respond to immediate threat
- principal/teacher to assist student to de-escalate to baseline by using appropriate strategies such as:
- redirecting to another area or activity
- providing reassurance
- · offering choices

NO

- principal to calmly allow the student to explain the situation to identify ways to fix the problem
- principal to check-in with teacher for feedback and contact parent
- principal or teacher to enter incident in School Bytes Wellbeing module

### Repetitive inappropriate behaviour

 follow school-wide reflection and restorative processes

Has the behaviour stopped or improved?

YES

YES

Provide positive verbal/nonverbal acknowledgement

NO

#### Consider additional supports

Identify and engage support(s) for the student to return to normal routine:

Refer to counsellor/wellbeing team, contact parents, conversation with teacher, refer to and/or revise behaviour plans.

Is additional time required for additional planning time? If so, consult with principal for possible suspension.

Is a mandatory report required? If so, consult with principal and MRG.

## **Appendix 2: Bullying Response Flowchart**

The following flowchart explains the actions Condong Public School staff will take when they receive a report about student bullying, including bullying which may have occurred online or outside of the school setting. The timeframes will vary depending on the professional judgment of staff who receive the bullying complaint and their assessment of immediate risk to student/s.

First hour: Listen

- Identify bullying behaviour, including cyber-bullying
- Provide a safe, quiet space to talk and reassure the student that you will listen to them
- •Let them share their experience and feelings without interruption
- •As a mandatory reporter, if you hold immediate concerns for the student's safety, let the student know how you will address these. Immediate in this circumstance is where the staff member believes the student is likely to experience harm (from others or self) within the next 24 hours.

Day 1: Document

- •Ask the student for examples they have of the alleged bullying (e.g. hand written notes or screenshots)
- •Write a record of your communication with the student and check with the student to ensure you have the facts correct
- •Enter the record in School Bytes Wellbeing module
- •Notify school executive of incident if required in line with behaviour management flowchart
- •Notify parent/s that the issue of concern is being investigated

Day 2: Collect

- •Gather additional information from other students, staff or family
- •Review any previous reports or records for students involved
- •Make sure you can answer who, what, where, when and how
- •Clarify information with student and check on their wellbeing

Day3: Discuss

- •Evaluate the information to determine if it meets the definition of bullying (see above)
- •Make a time to meet with the student to discuss next steps
- •Ask the student what they believe will help address the situation
- Engage the student as part of the solution
- •Provide the student and parent with information about student support network
- •Agree to a plan of action and timeline for the student, parent and yourself

Day4: Implement

- •Document the plan of action in School Bytes Wellbeing module
- •Complete all actions agreed with student and parent within agreed timeframes
- $\bullet \textbf{Monitor student and check in regularly on their well being } \\$
- •Seek assistance from student support network if needed

Day5: Review

- •Meet with the student to review situation
- Discuss what has changed, improved or worsened
- •Explore other options for strengthening student wellbeing or safety
- •Report back to parent
- •Record outcomes in School Bytes Wellbeing module

Ongoing follow-up

- •Continue to check in with student on regular basis until concerns have been mitigated
- •Record notes of follow-up meetings in School Bytes Wellbeing module
- •Refer matter to the Learning and Support Team within 48 hours if the situation is not resolved
- •Look for opportunities to improve school wellbeing for all students
