Welcome to Term 3 from PE / TAS / CAPA!

Welcome to Our New PE Teacher!

We are excited to welcome Brenton Tickle, our new PE teacher from the Tweed Coast! With Brenton joining our team, we now have four passionate PE teachers dedicated to planning and creating a variety of opportunities for our students. Together, we look forward to providing a diverse range of experiences that will enhance our students' physical education journey. Welcome aboard, Brenton!

We are excited to kick off Term 3 with a variety of opportunities for our students!

Starting in Week 5, Year 7 students will participate in the WOW or Back Court basketball program. This program will allow students to complete the activity they missed in Semester 1, taking place on Thursday afternoons.

Mark your calendars for our annual Athletics Carnival on Friday 29th August, held at the athletics track at Aero Ovals. We look forward to seeing our students showcase their athletic talents!

Athletics Carnival

In Week 3, 15 students will be participating in a Hospitality Immersion program. This includes four days of training in our school kitchen, followed by three days of hands-on experience in the industry during Week 5. We are thrilled to be part of this exciting pilot program!

Our school kitchen will be buzzing with activity this term as we prepare for various events, including cooking for NAIDOC Week, **Wear It Purple Day**, and our soup kitchen, alongside our regular practical cooking sessions. Be sure to check the newsletter for updates and pictures of our culinary creations!

Let's make it a fantastic Term 3!

Go IT Challenge

A group of Stage 4 and 5 students have entered the "Go IT Challenge", a short film competition in which they needed to envision what the future of sports technology might look like and bring it to life using their film editing skills. Students filmed at a variety of local spots last week and are now editing the final touches of their films to submit this week. We have been so impressed by the innovative thinking and skills in technology that these students have shown! Thank you to Deadly Science for providing us with some filming gimbles, as well as the STEM T4L team for providing us with some filming equipment as well.

TAS / PDHPE / CAPA

PDHPE students are working on their final option for the Stage 6 HSC Course. In "Improving Performance" they will investigate approaches to the physiological preparation and skill development of athletes. Students will experience and analyse a variety of training methods and look at the application of these methods to improving performance. The effects of planning on performance and ethical considerations relating to improving athletes' performance are also examined.

In this option, students investigate the following critical questions:

- How do athletes train for improved performance?
- What are the planning considerations for improving performance?
- What ethical issues are related to improving performance?

This module provides students with knowledge and skills necessary to improve their performance as well as enabling them to apply the concepts to various coaching contexts.

Once complete we will have plenty of time, to revise and of course practice plenty of HSC exam papers, questions and apply extended responses and analyse through rubrics and performance descriptors.

CAREERS

In the career space Year 10 will be finalising work experience placements and choosing subjects for next year. Some students will be doing their work experience at a later date due to the Hospitality emersion week. The beauty course has been confirmed for week 4, following its unfortunate postponement last term.

PRINCIPAL'S REPORT

Hello everyone, Term 3 is underway, and we have had a busy start to the term. During the School Development Day 42 teaching staff and SLSO's participated in Professional learning for Aboriginal Pedagogies which was presented by Departmental staff, this work will continue and will be embedded into teaching and learning programs as programs are written for new Syllabus documents for 2026 and beyond.

I would like to take the opportunity to welcome Mr Brenton Tickle to the school, he joins the TAS/CAPA/ PE team teaching PDHPE classes filling the vacancy created with Mr Chris Bush moving to the Careers Adviser position. Brenton previously worked at Deniliquin HS earlier this year and in schools on the North Coast as an SLSO while studying. Classes have settled and seem to be going well. It is fantastic to have a full complement of staff across the school.

I would also like to extend a warm welcome to Jay Nam, who is joining us on placement this term. Jay is studying to be a Social Worker and is in his fourth year, he will work with Terri and Ash our Student Support Officer's while on placement. Jay is finding his way around the school, kindly volunteering to be part of the breakfast program team.

Week 1 saw Years 7,8 and 9 undertake Check-in Assessments for Literacy and Numeracy, next week should see the remaining few students complete this work, after this time we will be able to review results and identify students that require additional support.

Next week (Week 3) is Education week, we will be celebrating and sharing the learning and activities that are staff provide every day. I encourage you to check out our Facebook page, we will be posting pictures each day showing you what students are doing and celebrating engagement and positive learning outcomes across the school. It will be a busy week with most of Year 10 undertaking work experience; we are very grateful to the employers across Sunraysia that willingly accept our students. I am very confident that our students will continue to represent themselves and the school brilliantly, I regularly speak to our students about the high regard for Coomealla High students by employers. We will also have a Hospitality Immersion event running next week with students from years 9 and 10 participating in training, this will continue into Week 4.

I would also like to highlight some other important dates this term:

- NAIDOC Day Wednesday 13th August (afternoon event planned.)
- Trial HSC Exams will take place in Week 5 (18th to 22nd August) in the Senior Lunchroom.
- Athletics Carnival (@ Aero Ovals Complex) on Friday 29th August.
- Year 11 End of Course Exams Week 8 (8th to 12th September).
- Year 12 Graduation Assembly, Thursday 25th September 10.30 am.

SAVE THE DATE

Please mark these in your calendar.

CONGRATULATIONS LEYLAND MARIE

We wish to congratulate Leyland Marie who was selected to represent the Under 13's Sunraysia representative squad at the 2025 State winter championships held in Wangaratta.

Leyland's team played 4 games over 2 days and came runners up in the Grand final.

This is a fantastic achievement and a testament to your hard work, and dedication to the sport you love. Being selected to represent your region is no small feat, and it reflects your commitment to excellence in your sport.

Keep up the great work Leyland; we are all proud of your achievements.

PREVENTING VIOLENCE AGAINST WOMEN

To highlight an amazing opportunity for you to register to engage in the AMES Preventing Violence Against Women in Multicultural Communities (PVAW) Leadership Program – coming soon to Mildura!

Feedback from recent delivery of the program in Ballarat is that the insights gained are incredibly valuable and can inform our work in powerful ways.

The Preventing Violence Against Women in Multicultural Communities initiative is such an important piece of work - strengthening organisations and empowering individuals to lead meaningful change, especially within CALD communities

Preventing Violence Against Women in Multicultural Communities

At AMES Australia, we are dedicated to creating safer, more equitable communities through our Prevention of Violence Against Women Program. This initiative focuses on empowering individuals and strengthening organisations to drive meaningful change, particularly within culturally and linguistically diverse (CALD) communities.

Our program targets three key areas to foster lasting impact:

1. Leadership and Training

We provide leadership and training programs that equip women and men from CALD communities with the skills and knowledge to promote gender equity. By building their capacity, these individuals become powerful advocates for change within their communities and contribute to broader efforts at both state and national levels.

2. Culturally Inclusive Resources

We co-design culturally and linguistically relevant resources to ensure diverse communities can better understand issues related to gender equity and violence prevention. These materials empower individuals with the information they need to identify, address, and prevent violence within their circles.

3. Building Organisational Capability

To expand the reach and effectiveness of violence prevention efforts, we support both multicultural and mainstream organisations. By promoting best practices in achieving gender equity, we enable these organisations to embed diversity, inclusion, and intersectional approaches in their work.

Expanding to Regional Victoria in 2025

In 2025, our Prevention of Violence Against Women Program will expand to Mildura and Ballarat, bringing this crucial initiative to regional Victoria for the first time. This expansion aims to ensure communities outside metropolitan areas can access vital resources, training, and support to create safer, more equitable environments.

The Ballarat and Mildura program will roll out with both online and in-person sessions in May–June 2025.

To find out more and register your interest, please complete this short EOI form: <https://forms.office.com/r/xKPWWYzkez>

**WE WANT YOU!
WHY NOT BECOME A BOLD CONTRIBUTOR?**

WHAT IS BOLD MAGAZINE?

BOLD magazine was established in 2016 by headspace Mildura and Mildura Living magazine and has an annual issue published each year for Spring/Summer.

To create each issue of BOLD we work with local young people aged between 12-25 who enjoy writing and photography to produce the stories you read in our magazine. Our contributors don't have past experience and for most of them, BOLD is their first time having their stories and photos in print. All the stories you read in BOLD are chosen, written and photographed by our contributors and are the stories that they want to share.

We always feature a range of stories that promote our region and the local awesome and inspiring community members that live here. We also include stories on important issues for young people, as well as all kinds of tips, tricks and reviews.

13 YARN
"Our Story, Our Healing"

Feeling worried or no good?

We will take the time to listen. No shame, no judgement, safe place to yarn. We're here for you.

13 92 76

13YARN [Thirteen YARN] is the first national crisis support line for mob who are feeling overwhelmed or having difficulty coping.

We offer a confidential one-on-one yarning opportunity with a Lifeline-trained Aboriginal & Torres Strait Islander Crisis Supporter who can provide crisis support 24 hours a day, 7 days a week. 13 YARN empowers our community with the opportunity to yarn without judgement and provide a culturally safe space to speak about their needs, worries or concerns.

If you, or someone you know, are feeling worried or no good, we encourage you to connect with 13YARN on 13 92 76 (24 hours/7 days) and talk with an Aboriginal or Torres Strait Islander Crisis Supporter.

This is your story; your journey and we will take the time to listen. No shame, no judgement, safe place to yarn. We're here for you.

Our vision is to achieve a nation free of suicide. We know the current statistics for suicide and self-harm for Aboriginal people are disproportionately high. To tackle this problem head-on, this service will be led by an Aboriginal and Torres Strait Islander Advisory Board and employ professionals in suicide prevention and crisis support utilising Lifeline's extensive experience and infrastructure.

We take the time to listen. No shame, no judgement, safe place to yarn. We're here for you.

13YARN is an Aboriginal & Torres Strait Islander crisis support line funded by the Australian Government with the support of Lifeline and developed in collaboration with Gayaa Dhuwi (Proud Spirit) Australia. It is run by Aboriginal and Torres Strait Islander people.

We have co-designed this line using Lifeline expertise with several Aboriginal mental health professionals including NACCHO, Black Dog Institute Aboriginal Lived Experience team and the Centre for Excellence in Suicide Prevention along with input from Torres Strait Islander, remote, regional, and urban peoples with lived experience.

We work to explore options for ongoing support and community members will always be reassured they will be connected to another Aboriginal and Torres Strait Islander person who will understand where they are coming from and value knowing HOW to listen, without judgement or shame.

CHILD AND ADOLESCENT MENTAL HEALTH SERVICE

NSW Health

CAMHS – Far West Local Health District

Child and Adolescent Mental Health Service

About the service

CAMHS is an interdisciplinary team who support young people aged 0-18 and their families to promote mental wellbeing across the lifespan. CAMHS values a 'no wrong door' approach and strives to connect every child, young person, parent or carer to the most appropriate support that meets their needs.

The CAMHS service currently operates out of two sites located in Broken Hill and Buronga, and strives to provide equitable service across the Far West through the use of telehealth technology, regular outreach, and collaborative partnerships.

What CAMHS offers

- Mental Health Assessment
- Counselling and Psychotherapy
- Case Management and Service Navigation
- Psychosocial Support
