Thursday 25th September
Year 12 Graduation Ceremony

MATHS / SCIENCE / AGRICULTURE

Mathematics, Science & Agriculture Update

Our students have been busy this term engaging in hands-on learning across Mathematics, Science, and Agriculture.

- **Mathematics** - In Mathematics, classes have been exploring measurement and trigonometry. Students have sharpened their skills in calculating perimeters and areas with confidence and accuracy. Stage 5 students have begun their journey into trigonometry, applying it to real-world problems and developing strategies to solve questions involving right-angled triangles.
- **Science** - Stage 4 Science students have been working through the Chemical World – Mixtures and Chemical Change. As part of their assessment, students designed and tested their own water filters, investigating how mixtures can be separated. They also observed a variety of chemical changes, building a stronger understanding of how substances react and transform in our world.
- **Agriculture** - In Agriculture, Mrs Andrew and her classes have been busy harvesting oranges, mandarins, and other seasonal produce. The quality of our citrus fruit has become well-known across the community. This term, produce has been distributed to local businesses and charities, and if you have enjoyed a meal at the Coomealla Club, chances are you've tasted the excellent work of our staff and students. The SMECC's Social Supermarket has also benefited from the produced farmed at Coomealla High School.

PRINCIPAL'S REPORT

Hello everyone, I would like to start with an apology for the delay in this edition of the newsletter being published. I was out of the school last week travelling to participate in a Connected Communities Hub visiting Moree Secondary College, Boggabilla Central School and Toomelah Public School to look at programs that meet the needs of their communities and students. I walked away from this opportunity with some ideas that could be adapted for Coomealla HS students and the community

The last fortnight has been busy as usual; we celebrated Public Education Week in Week 3 showcasing the extraordinary activities and learning that happen everyday in the school. If you have not already seen this, I encourage you to visit our Facebook page and follow as we share many different activities and items through this channel.

Year 10 completed Work Experience in Week 3 and a small group of Year 9 and 10 students also participated in a Hospitality Immersion program, which you will read more about in this edition. Week 4 included our Annual NAIDOC Day celebrations which were held on the Wednesday afternoon. And as I write this article Year 12 are completing the very important Trail HSC examinations.

There are many events planned in the second half of the term, these include:

- Wear it Purple Day - activities planned for period 3 and lunch time on Tuesday 26th August.
- Student Recognition Lunch (Dunc's Shout) at Coomealla Club on Wednesday 27th August.
- Athletics Carnival at Aero's Complex on Friday 29th August.
- Shearing School for selected students in Week 7 (1st to 5th September.)
- Year 11 End of Course examinations in Week 8 (8th to 12th September.)
- Leaver's Dinner / Senior Formal Tuesday 23rd September at Coomealla Club.
- Term 3 Student Recognition Assembly Wednesday 24th September.
- Year 12 Graduation Assembly Thursday 25th September.

This week we should receive confirmation of our SBAR (budget and staffing) allocation for next year. This means that we will begin planning staffing, as well as student subject selection for electives in Years 8-10 in the second half of the term. We will keep parents posted as to when this is happening and allow time to discuss selections as needed.

Finally, we are just over 12 months from celebrating the official opening of the school on the 24th September 1976. This is a call for people to express their interest in helping to organise a celebration for this date to mark 50 years of 'Learning to Live' at Coomealla HS.

Interested parties can make contact via our Facebook page, by email to coomealla-h.school@det.nsw.edu.au, or by phoning the school on 03 50274506 during school hours (8.30 to 3.30) and leaving your details. Community members and past students are most welcome to express interest so we can form a working group to support the school in planning and delivering a worthy celebration.

Duncan Driscoll
Relieving Executive Principal

NAIDOC DAY

Coomealla High School NAIDOC Day 2025

On Wednesday 13th of August, Coomealla High School proudly celebrated NAIDOC Day with students, staff, families, and community members coming together to honour Aboriginal and Torres Strait Islander culture, history, and achievements.

The day began with a student-led assembly on the ball courts, where Kyah delivered a moving Acknowledgment of Country, reminding us that the land on which we live, learn, and play is, was, and always will be Aboriginal land. A minute's silence followed, as the school community paid respect to Elders past and present.

Student leaders Adel and Tiny then shared powerful speeches highlighting the 2025 NAIDOC theme: "The Next Generation: Strength, Vision & Legacy." They reflected on the 50-year history of NAIDOC Week, acknowledging the determination of Elders who kept culture and stories alive, and inspiring students to continue their legacy into the future.

The assembly concluded with a captivating dance performance featuring many of our talented students, choreographed by Ms Elle, celebrating Indigenous artists through contemporary movement.

After the assembly, students and community members shared a pizza lunch and cupcakes prepared by our Hospitality students, before rotating through a wide variety of cultural and creative activities. These included:

- Rock painting and face painting with community health groups
- Keychain weaving, beading, and flag making
- Artefact and art exhibits
- Mosaic creation and net making
- Boorijin Indigenous games and javelin throwing
- Johnnie cake making

The day ended with a community raffle and thanks to all who contributed.

Events like NAIDOC Day not only strengthen cultural pride but also give students meaningful opportunities to learn, connect, and reflect. A heartfelt thank you goes to our staff, students, and community partners for ensuring that this year's celebration was such a success.

BEAUTY PROGRAM

Polished to Perfection: Students Complete Beauty Program

Congratulations to the students who this week successfully completed the TAFE NSW Start Your Future in Beauty program, part of the NSW Department of Education's Educational Pathways Program (EPP).

The program gave students a hands-on introduction to the beauty industry, with practical demonstrations and guidance from highly qualified TAFE NSW teachers. Over the course, students developed skills in skincare, make-up techniques for day and evening events, mini facials, client consultations, and preparing for professional services.

They also learned about face shapes, corrective and highlighting make-up, and applying make-up for photography. These activities not only built practical skills but also gave students insight into career opportunities, further training, and nationally recognised VET pathways.

Well done to all participants for your enthusiasm, creativity, and commitment to learning - you have taken an exciting step toward your future career in the beauty industry.

PREVENTING VIOLENCE AGAINST WOMEN

To highlight an amazing opportunity for you to register to engage in the AMES Preventing Violence Against Women in Multicultural Communities (PVAW) Leadership Program – coming soon to Mildura!

Feedback from recent delivery of the program in Ballarat is that the insights gained are incredibly valuable and can inform our work in powerful ways.

The Preventing Violence Against Women in Multicultural Communities initiative is such an important piece of work - strengthening organisations and empowering individuals to lead meaningful change, especially within CALD communities

Preventing Violence Against Women in Multicultural Communities

At AMES Australia, we are dedicated to creating safer, more equitable communities through our Prevention of Violence Against Women Program. This initiative focuses on empowering individuals and strengthening organisations to drive meaningful change, particularly within culturally and linguistically diverse (CALD) communities.

Our program targets three key areas to foster lasting impact:

1. Leadership and Training

We provide leadership and training programs that equip women and men from CALD communities with the skills and knowledge to promote gender equity. By building their capacity, these individuals become powerful advocates for change within their communities and contribute to broader efforts at both state and national levels.

2. Culturally Inclusive Resources

We co-design culturally and linguistically relevant resources to ensure diverse communities can better understand issues related to gender equity and violence prevention. These materials empower individuals with the information they need to identify, address, and prevent violence within their circles.

3. Building Organisational Capability

To expand the reach and effectiveness of violence prevention efforts, we support both multicultural and mainstream organisations. By promoting best practices in achieving gender equity, we enable these organisations to embed diversity, inclusion, and intersectional approaches in their work.

Expanding to Regional Victoria in 2025

In 2025, our Prevention of Violence Against Women Program will expand to Mildura and Ballarat, bringing this crucial initiative to regional Victoria for the first time. This expansion aims to ensure communities outside metropolitan areas can access vital resources, training, and support to create safer, more equitable environments.

The Ballarat and Mildura program will roll out with both online and in-person sessions in May–June 2025.

To find out more and register your interest, please complete this short EOI form: <https://forms.office.com/r/xKPWWYzkez>

For more information or any questions, please reach out to Anu Krishnan at krishnana@ames.net.au or call 0432 343 369.

13 YARN
"Our Story, Our Healing"

Feeling worried or no good?

We will take the time to listen. No shame, no judgement, safe place to yarn. We're here for you.

13 92 76

13YARN [Thirteen YARN] is the first national crisis support line for mob who are feeling overwhelmed or having difficulty coping.

We offer a confidential one-on-one yarning opportunity with a Lifeline-trained Aboriginal & Torres Strait Islander Crisis Supporter who can provide crisis support 24 hours a day, 7 days a week. 13 YARN empowers our community with the opportunity to yarn without judgement and provide a culturally safe space to speak about their needs, worries or concerns.

If you, or someone you know, are feeling worried or no good, we encourage you to connect with 13YARN on 13 92 76 (24 hours/7 days) and talk with an Aboriginal or Torres Strait Islander Crisis Supporter.

This is your story; your journey and we will take the time to listen. No shame, no judgement, safe place to yarn. We're here for you.

Our vision is to achieve a nation free of suicide. We know the current statistics for suicide and self-harm for Aboriginal people are disproportionately high. To tackle this problem head-on, this service will be led by an Aboriginal and Torres Strait Islander Advisory Board and employ professionals in suicide prevention and crisis support utilising Lifeline's extensive experience and infrastructure.

We take the time to listen. No shame, no judgement, safe place to yarn. We're here for you.

13YARN is an Aboriginal & Torres Strait Islander crisis support line funded by the Australian Government with the support of Lifeline and developed in collaboration with Gayaa Dhuwi (Proud Spirit) Australia. It is run by Aboriginal and Torres Strait Islander people.

We have co-designed this line using Lifeline expertise with several Aboriginal mental health professionals including NACCHO, Black Dog Institute Aboriginal Lived Experience team and the Centre for Excellence in Suicide Prevention along with input from Torres Strait Islander, remote, regional, and urban peoples with lived experience.

We work to explore options for ongoing support and community members will always be reassured they will be connected to another Aboriginal and Torres Strait Islander person who will understand where they are coming from and value knowing HOW to listen, without judgement or shame.

SERVICE NSW

OFFICIAL

icare[™] | Insurance for NSW Certificate of Currency

Service NSW

The NSW Self Insurance Corporation, branded as icare Insurance for NSW (icare), was established by the NSW Self Insurance Corporation Act 2004. The main function of icare is the administration of the Treasury Managed Fund (TMF), which provides cover for all insurance exposures (other than compulsory third-party insurance) faced by those general government sector agencies and public sector agencies that are members of the TMF scheme.

Period of Cover

This will confirm that commencing 1 July 2024, until 30 June 2025, **Service NSW**, being a TMF Agency is a member of the TMF which provides insurable risk protection in accordance with the TMF Statement of Cover.

The TMF Agency, and their employees and volunteers, are fully covered for their legal liability to any third party arising out of their operations, worldwide.

Coverage Inclusions

Cover includes, but is not limited to:

- Identifier **T10142 Workers' Compensation** as per current Workers Compensation Act 1987 (NSW).
- Identifier **MF700363 Legal Liability** for the liabilities of a TMF Agency and specified Covered Individuals, including, but not limited to, public liability, products liability, professional indemnity, environmental impairment liability, liability for claimed misleading representations, aircraft liability, watercraft liability, cyber liability, legal expenses, statutory liability and medical negligence.
 - Limit for each type of liability cover: \$100,000,000.
- Identifier **MF700364 Property** coverage for loss and/or damage to all real and personal property either owned by, or the responsibility of, the TMF Agency on a full replacement (new for old) basis. Coverage includes consequential loss.
- Identifier **MF700362 Motor Vehicle** cover for loss of and/or property damage caused to or by a motor vehicle while being used for the purpose of or in connection with the TMF Agency's business.
- Identifier **MF700361 Miscellaneous Cover** inclusive of:
 - Personal Accident coverage for Voluntary Workers whilst actively engaged in voluntary work for the TMF Agency. Coverage is provided in accordance with and equivalent to the benefits payable under the Workers Compensation Act 1987 (NSW), provided under TMF Miscellaneous cover.
 - Personal Accident and Travel cover whilst travelling domestically and abroad.
 - Event Cancellation.

For full details on TMF indemnity and its protection, please refer to the relevant sections of the TMF Statement of Cover.

Note: icare hereby agrees that should such coverage be cancelled or withdrawn for any reason, 30 days' notice will be provided.

Britt Coombe
Group Executive, Insurance for NSW & HBCF

NSW Health

CAMHS – Far West Local Health District

Child and Adolescent Mental Health Service

About the service

CAMHS is an interdisciplinary team who support young people aged 0-18 and their families to promote mental wellbeing across the lifespan. CAMHS values a 'no wrong door' approach and strives to connect every child, young person, parent or carer to the most appropriate support that meets their needs.

The CAMHS service currently operates out of two sites located in Broken Hill and Buronga, and strives to provide equitable service across the Far West through the use of telehealth technology, regular outreach, and collaborative partnerships.

What CAMHS offers

- Mental Health Assessment
- Counselling and Psychotherapy
- Case Management and Service Navigation
- Psychosocial Support
- Psychiatry Review
- Alcohol and Other Drugs Support
