Principal's report

Togetherness day

Tomorrow all students and staff will travel to Baryulgil Public School to celebrate Togetherness Day. The kids will be involved in dance, sensory play, craft and traditional games activities and will join children from Baryulgil and other schools. Parents and community members are welcome and morning tea and lunch is provided. Kids just need to wear school uniform and remember to bring a hat and full water bottle. The bus will leave at 9am sharp and return in time for the afternoon buses at 3pm.

Pizza Day

Next Friday is the last day of term, Old School Day and Pizza Day! Students in Year 5/6 have been busy planning, preparing and ordering ingredients to make mini pizzas next Friday. Orders were due in today and next Friday students will be able to enjoy fresh home made pizzas and slushies at a bargain price. Thanks to Mrs McGarvie and Year 5/6 for organising this!

Attendance

As you would be aware, regular attendance at school is vital for a child's academic and social growth. A few days missed here and there soon add up and children fall behind. Children should be home from school if they are sick. Today I am sending home your child / children's current attendance rate along with a 'traffic light' graphic that outlines where they would be placed at the end of the year if their current attendance rate doesn't change. As a school, we pride ourselves on being one of the top schools in the Network for regular attendance. Thank you also to those parents and carers who promptly respond to messages when their children are away. Explaining absences is also important.

Small Schools Big Impact concert

Anyone who attended the concert in Market Square last Thursday night would have to agree that it was a fantastic performance! Well done to all our small schools, their staff and community members who were involved in choreographing or costume and set making. Mrs Andrews and her team put together an entertaining and uplifting dance item which has received great reviews from the other schools. I am so proud of our students for their commitment through weeks of practice and the way they represented our school so well on the night. As I told the kids; this sort of participation goes a long way to building on our already great reputation and strong school culture. I'm looking forward to seeing what we come up with for the next one!

Cheers,
Andrew
