Principal's report

Year 5/6 excursion

Last week Mrs McGarvie and I accompanied our senior students on their excursion to Brisbane, the Sunshine Coast and Gold Coast. We joined students and teachers from Tucabia and Nymboida Public Schools for a very busy and energetic week! Feedback from the kids confirms that Australia Zoo and Seaworld are the most popular attractions. We also had a ferry ride, visited the QLD Museum and Science Centre, watched QLD parliament in action and met the Governor, viewed Brisbane from Mt Cootha and watched an amazing space show at the Planetarium. As a bonus, we stumbled across what must be the world's best adventure playground! As usual, the kids were great and I'm sure very tired when they got home (hopefully not too cranky!). Parents of students in Years 4 and 5 can now start planning for next year's senior excursion which will be to the Great Aussie Bush Camp around this time next year.

Small Schools Big Impact Concert

Next Thursday starting at 6:30pm, is the Small Schools Big Impact Concert at Market Square in Grafton. Our school will be joining the other Clarence Valley Small Schools in performing songs and dances. Around 35 students from our school will be involved in our performance which, going by what I've seen at rehearsals, promises to be spectacular! Next Thursday our performers will travel by bus to Market Square in the morning to rehearse on stage. A permission note will be available on School Bytes later today. Please remember to bring a fold up chair and a gold coin donation would be appreciated to cover costs. As this is a school event, it is of course alcohol, smoke and vape free.

Togetherness day at Baryulgil

On Friday, September 19th our whole school will travel by bus to Baryulgil Public School to join in the cultural activities and fellowship of Togetherness Day. Please see the School Bytes app for the permission note and note there is no cost for this excursion. Parents are more than welcome to attend and all we ask is that you let us know if you will be transporting your child / children so that we can hire an appropriate bus. Students are to wear school uniform and remember to bring a hat and water bottle. Morning tea and lunch are provided.

School Support Staff Week

This week we celebrate our school support staff across all NSW Public Schools and acknowledge their valuable contributions to our schools. To our Copmanhurst SASS staff; Sandra, Bianca, Paula, Logan, Rick and Warwick, thank you for your commitment, care and hard work. You play a vital role in improving the learning and life outcomes of the children and young people in our care, as well as the success of our school.

Cheers,
Andrew
