	Thursday 12 th	Presentation / Farewell
	Monday 16 th	Y6 Big Day Out @Woolgoolga
	Wednesday 18 th	Last Day Term 4

Messages from the Principal

Good afternoon families

We are getting excited about our upcoming camp next week for our 3-6 students, which will also include a special excursion for our K-2 students on the final day. The action will be taking place at Darlington Park Beach Holiday Resort. A very big thank you to our parents who have raised so much money for our students through the Thursday lunch deals. This has made a massive difference to the cost and we are so grateful at the level of support we received from the entire school community.

As the year comes to an end, we are taking a look inwards and seeking your feedback about our school. Enclosed in this newsletter is the paper version of the Parent Satisfaction Survey that was emailed on School Bytes, posted on Seesaw and our Facebook Parent page. We understand that sometimes a survey is the last thing you feel like doing, however it will provide us with so much valuable information. We are continuously striving towards strengthening our educational delivery whilst working in partnership with you and this is one way to have your say. Your child will receive 2 bonus Christmas raffle tickets for your time and effort. We thank you in advance!

It has been an incredibly busy term so far, with showing no signs of slowing down. Recently our Stage 3 students participated in the Interrelate programs 'Moving into the Teen Years', along with students from other small schools in the area. We received very positive feedback from the program facilitator on how mature and confident Coramba students were in their contribution to this online opportunity. This Tuesday, Year 6 had the opportunity to meet future friends as part of the Orara High School Taster Days. Again, the feedback was very positive and the students came back energised by the experience.

Today and over the coming days 3-6 Jaraan teacher, Miss Stubbs is competing in a range of swimming events at the Pan Pacific Masters Games on the Gold Coast. We wish Miss Stubbs the very best in her events!

Have a lovely weekend everyone!

Julie Price, Principal

Thank you to all of the community groups and individuals who have contributed towards the event!

Transport for NSW

School Student Travel

School student travel information for parents and students

School Travel Passes

Applications are now open for 2025 School Student Transport Scheme (SSTS) travel.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their School Opal card at their nominated postal address from mid-January 2025.

Students who require a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Students living in rural and regional areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some rural and regional operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Terms of Use

Students using School Opal cards must tap on and tap off in line with the [Opal terms of use](#).

This includes travel within the approved times between 6.30am and 7.00pm from Monday to Friday on school days only. Students must use their Child/Youth Opal card for any travel outside these times.

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.

Mail sent from the Stakeholder Liaison Team, Customers Systems and Operations.
