A note from the Principal

Dear Parents and Carers

Thank you to everyone who helped with the **P&C Lunch Order Day** – the student feedback was very positive!

Our K-6 students and staff loved watching Repton Public School's performance of **The Lion King**, especially the amazing drumming that brought the African theme to life.

Recently, our Years 3-6 students helped plant vines to support **Richmond Birdwing Butterflies** with guidance from Peter from the Botanic Gardens. Students will care for the vines and track their growth and provide feedback, to help find out which conditions work best. Seeds students planted with Peter earlier this term have also germinated and will eventually be planted out also.

Year 3 and 4 students had a great time at the **Bongil Bongil Interschool Gala Day**, playing sports against other local schools. Thanks to Toormina High School for organising this fun event and to their Year 9 Physical Activity and Sports Science students, who coached primary students in the events on the day. Crossmaglen students played volleyball, soccer and Oztag against students from: Bonville, Boambee, William Baylden, Sawtell and Tormina Public Schools.

Bongil Bongil Public Speaking Competition: Our K-6 students will take part in the Bongil Bongil Public Speaking Competition on Friday of Week 1 next term. Please help your child prepare their speech at home. All students will present their speech at school, and two from each stage will represent us at Toormina High School on 28 October. Speech requirements are as follows:

- Early Stage I-Kindergarten: Recital of poem/story.
- Stage 1 Years 1-2: 1-2 minute speech on any topic, or 1-2 minute recital of poem/story
- Stage 2 – Years 3-4: 3-minute speech on any topic
- Stage 3 - 3 minute speech on any topic + 1-2 minute impromptu speech

Finally, we look forward to welcoming four new students to our Crossmaglen community in Term 4, in Years 1, 2, 3 and 5. As Monday, 13th October, is a Staff Development Day, we look forward to welcoming students back to school on Tuesday, 14th October, for the first day of Term 4.

Thank you for your ongoing support.

Students in Green Cottage maths have been learning about a new 3D shape, the regular icosahedron. It has 20 faces which are equilateral triangles, 30 edges and 12 vertices. We had a go at making them, which was quite a challenge.

Blue Cottage

with Ms Stewart

Ahead of the Bongil Bongil Public Speaking Competition, Blue Cottage students have explored what makes a good speech, focusing on messages that are entertaining or serious. They also practiced I-minute impromptu responses, which have been quite entertaining!

P&C Mango Fundraiser

After a successful fundraising event last year, we have decided to do the tasty Bowen Mango fundraiser. For our new families these mangoes are fresh from the tree up in Far North Queensland town of Bowen.

The Product – For \$30 per tray

The Mango Fundraiser only use Bowen Special Mangoes which are more formally known as Kensington Pride Mangoes. They are packed in a single layer tray, and each tray will usually have between 12 and 20 mangoes, with a total tray weight of approximately 7kg.

When you buy Mangoes from the Mango Fundraiser you know the fruit is coming directly from the farm to you. Your mangoes aren't being held for long periods in storage or ripening rooms.

They come to us green and when left out of the fridge, they ripen naturally over a 2-3 week period. One or two may ripen faster. They are great to have ready for that Christmas pavlova, summer smoothies or just to eat.

Delivery of the mangoes will be confirmed once our final order is submitted. We will aim for early December.

Orders will need to be in NO LATER than Monday 27th October 2025. Unfortunately, **NO LATE ORDERS WILL BE ACCEPTED.**

Payment can be by cash or direct deposit into the P&C Bank Account. **PLEASE DO NOT PAY VIA THE SCHOOL BYTES APP (this is not a P&C account).**
