

Install Adobe Creative Cloud Software – DoE students

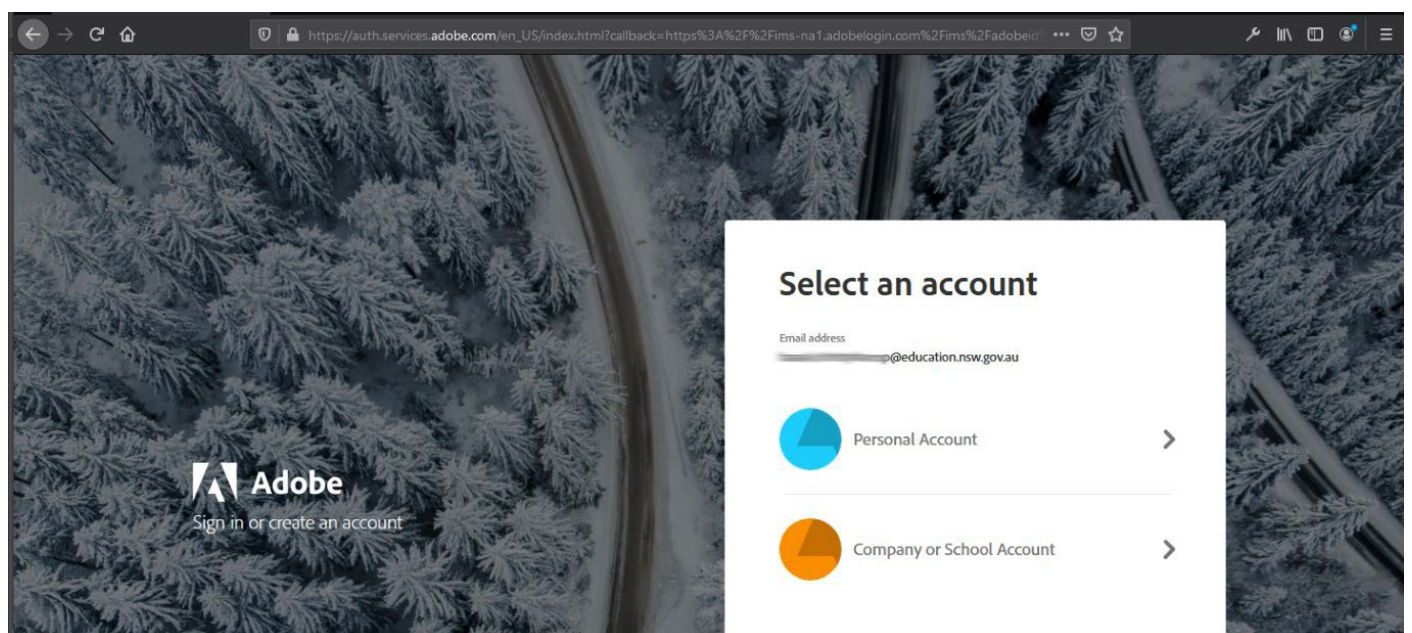

1. Go to <https://adobe.com/au/>
2. Click on “Sign In”.

3. Enter your DoE email address and click on “Continue”.

A screenshot of the Adobe "Sign in" page. The page has a white background with a dark blue header. The "Sign in" title is prominent. Below it, there is a link for "New user? Create an account". The "Email address" field contains the text "your.username@education.nsw.gov.au". A blue "Continue" button is positioned to the right of the email field. Below the email field, there is a section for "Or" with three options: "Continue with Google", "Continue with Facebook", and "Continue with Apple".

4. If you have already created an Adobe account using your DoE email address, this message will appear. Select “Company or School Account”. If you haven’t created an Adobe account with your DoE email, this step will be bypassed.

5. Enter your DoE username and password.
