NAIDOC Day

Today our students travelled to Somerton Public School and joined with our small school friends to participate in NAIDOC Day Celebrations.

NAIDOC Day celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. It's a time where our students can learn about and acknowledge the contributions of First Nations people, and participate in cultural events and activities.

NAIDOC Week 2025 runs from the 6th to 13th July. This year we celebrate 50 years of NAIDOC Week. The theme this year is 'The Next Generation: Strength, Vision & Legacy'.

Principal's Message

with Mr Stephens

Happy Holidays

On behalf of the staff at Currabubula Public School, we would like to wish you a safe and enjoyable July school holiday period. School resumes for students on Tuesday, 22 July.

Boys' and Girls' Basketball Gala Days

This week, our students teamed up with Duri Public School to compete in the Tamworth PSSA Gala Days. From all reports, the girls played two competitive games against strong teams from Tintinhull Public School and Guyra Central School. Mr Stephens had the pleasure of attending the boys' event, with our team recording a first-round win over Moonbi Public School. They were narrowly defeated in the following games by Tintinhull Public School and Barraba Central School.

Congratulations to the following students for their involvement:

Girls' Day: Georgina, Alice, Amelia and Londyn

Boys' Day: Marcus, Ryan, Kallum and Chris

Semester 1 Student Reports

On Monday, student reports for this semester were distributed digitally via the HERO app. Please reach out to the school if you require assistance accessing them. Parent interviews are scheduled for Week 2, Term 3. Further information will be shared at the beginning of Term 3, and bookings will be made via the HERO system.

Before and After School Care Update

Recently, the school and our Parents and Citizens' Association have been exploring the feasibility of establishing a before and after school care service at Currabubula. We understand this may support current and prospective families to attend our great little school. To support this initiative, the school—together with the P&C—is looking to raise funding to establish the service. Further information regarding donations and sponsorship opportunities will be provided soon.

At Currabubula Public School, we are committed to serving our local community and supporting families in enrolling their children with us. Fostering that sense of community is what makes places like Currabubula truly special.

If you would like to learn more about this opportunity or are interested in contributing financially to the initiative, please contact Mr Stephens at mark.stephens8@det.nsw.edu.au

Enrolment for 2026 and Kindergarten "Come and Try" Session

The school is currently accepting enrolments for all year groups for next year, including Kindergarten. We encourage prospective families to contact the school in the coming weeks for forward planning. Enrolment packs and further information will be sent out upon enquiry. We will be holding a Kindergarten "Come and Try" session on Friday, 29 August. If you would like your child to attend, please register with the front office.

Our transition program will take place in Term 4.
