## Year 9 Student Mentor Training

On Tuesday 1 July, the first half of Year 9 students interested in completing their introductory mentor training took part in a two-period workshop. It was fantastic to see students engage so positively, demonstrating courage, compassion, and confidence through a range of team-building activities and their first experience mentoring Year 6 students from Mimosa. Each group was tasked with creating a unique superhero - leading to some incredibly imaginative characters and impressive costumes!

We're excited to welcome the Year 6 Mimosa cohort back Term 3 for another creative team-building experience with the second group of our potential 2026 mentors.

## Year 11 Business Plan Initiative

We are incredibly grateful to the amazing businesses and individuals who have volunteered their time, expertise, and prizes to support the 2025 Year 11 Business Plan Initiative. Their involvement will provide invaluable real-world insights and encouragement as students begin developing their ideas in Term 3 as part of the Business Planning topic.

Thank you to our mentors, reviewers and prize sponsors:  
OCE Advisory · Tour Tee · Kerle Constructions · ICMS

(International College of Management, Sydney) · Employee Matters · Boomi · Astrology Apothecary · Michelle Broadbent · Expressions Australia · Hector Teran · McCallum Made ·

B.Commerce (Marketing/Business Information) · Freestyle Joinery

Their contributions will help us select the most promising plans, and we're excited to recognise our top students with some incredible prizes.

We're looking forward to seeing the creativity and entrepreneurial thinking of our students shine as they begin their business plans next term. Thank you for supporting the next generation of innovators and change makers at Davidson High School!
