WONDERFUL WORK

Year 1

Buck

Buck did a wonderful job of using his knowledge of left and right to describe the position of objects in Maths. He used his hands to assist him with completing the questions on his book page and he made sure his work was presented neatly.

Well done Buck!

WONDERFUL WORK

Year 2

Emilia

Year 2 created some delicious hot chocolate art, inspired by the winter season. Millie took care with oil pastels, including vibrant colours and patterns, to make her artwork unique.

Fantastic job Millie!

Year 3

Rory

Rory has returned from the holiday break with a great work ethic. He has been working hard to complete tasks in an accurate and timely manner. Rory showed a great understanding of place value in maths this week and is beginning to extend himself with more challenging questions. Keep up the great work Rory!

WONDERFUL WORK

Year 4

Roy

Roy consistently demonstrates persistence in our maths lessons. This week, while learning about time, he effectively applied his understanding of the concepts to complete activities.

Year 5

Aleeya

Year 5 students were tasked with writing a recount of their holiday, structuring their ideas into paragraphs and designing a holiday brochure. Congratulations to Aleeya for submitting an exceptional recount!

WONDERFUL WORK

Year 6

Lane approached the creative arts task with enthusiasm, using mixed media to combine shapes and textures in a vibrant beach/island-themed artwork. His creativity demonstrated throughout the final result.
