

# <u>Dungog High School - Behaviour Support & Management Plan</u>

# Overview

Dungog High School is committed to fostering a safe, inclusive, and supportive learning environment where all students can thrive. We implement a proactive and responsive approach to student behaviour, aligning with the NSW Department of Education's expectations and policies.

We create an inclusive community where high expectations, mutual respect, and positive relationships support student growth. Staff set clear standards and boundaries while providing early and ongoing intervention to ensure all students succeed. With the right support and time, every student can achieve high standards.

As a Positive Behaviour for Learning (PBL) school, our behaviour support and management framework is built on our core values of Respect, Responsibility, and Personal Best. These values guide our expectations and interactions, ensuring a consistent and fair approach across all school settings.

Our approach is inclusive and responsive, recognising and valuing the diverse backgrounds, strengths, and challenges of our students. We prioritise culturally responsive practices, particularly in supporting Aboriginal students and those from trauma-impacted backgrounds. We work in partnership with families, staff, and external agencies to ensure every student has the opportunity to engage positively in their education and reach their full potential.

### Partnership with parents and carers

At Dungog High School, we value strong partnerships with parents and carers to support student learning and wellbeing. Our Parents and Citizens' Association (P&C) meets twice per term, providing a forum for consultation on school procedures and key topics. Families are regularly informed about behavioural expectations through multiple channels, including P&C meetings, parent-teacher conferences, the school website, email, social media, and parent information evenings. By working together, we ensure a consistent and supportive approach that reinforces positive student behaviour both at school and at home.

By fostering mutual respect, positive relationships, and early intervention, we collaborate to provide the right time and support for all students to thrive. This partnership is essential in building a cohesive and respectful environment where every student can grow, learn, and succeed.

### School-wide expectations and rules

Value	Key Expectations		
Respect	Show respect, kindness and appreciation for others' opinions and contributions.		
	Use appropriate language to help create a safe, supportive school environment.		
Responsibility	Be punctual, follow staff directions, and complete work on time.		
	Take responsibility for your actions, follow safety procedures, and care for the environment.		
Personal Best	Stay focused, be prepared, always do your best, and demonstrate good citizenship.		
	Attend school every day and wear the school uniform with pride.		

# **Behaviour Code for Students**

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found <u>here</u>. This document translated into multiple languages is available here: Behaviour code for students.

# Whole school approach across the care continuum

Dungog High School uses the following strategies and systems to explicitly teach, recognise and reinforce positive student behaviour, behavioural expectations and wellbeing:

- 1. Learning Support Team (LST) and case Management approaches;
- 2. Positive Behaviour for Learning;
- 3. Peer Mentoring;
- 4. Student Voice and a wide range of leadership programs;
- 5. Programs to provide a culturally safe school for Aboriginal and Torres Strait Islander students, including support through our Aboriginal Education Officer (AEO), Djukal Ngarra Think Big program, Didge Group, Sista Speak and cultural experiences;
- 6. Targeted programs for students with additional needs;
- 7. Targeted programs for high potential and gifted students;
- 8. An extensive array of targeted learning and wellbeing supports available through our Student Support Officer and Wellbeing Team, to individual and small groups of students, both in terms of prevention and intervention.

Care Continuum	Strategy or Program	Details	Audience
Prevention Strategies	PBL	School wide system for teaching and supporting appropriate behaviours underpinned by the core values at Dungog High School – Respect, Responsibility and Personal Best.	All students

Early Intervention	Family & Community Engagement	Regular communication with parents / carers, providing resources to support behaviour and collaborating on individualised behaviour and learning plans.	Whole School Community
	Learning Plans Personalised Learning and Support Plans (PLSPs)	The school collaborates with students, families, and professionals to identify educational needs and implement appropriate adjustments and support, in line with the Disability Standards for Education 2005, ensuring equitable access to learning.	
	LST referrals	School wide processes for ensuring identification, communication, planning and follow up for further support or targeted interventions.	
Targeted intervention	Specific Programs such as: Equine Therapy Rhythm2 Recovery SPARC and Jump programs Seasons for Growth PCYC Top Blokes Program Rock and Water	Targeted small group programs are implemented as needed, using datadriven decisions to address specific areas of student need.  Small group tuition – Reading/Literacy intervention and extension.	Specific Students

Care Continuum	Strategy or Program	Details	Audience
Individual Support	Support Plans: Attendance Improvement Plans Behaviour Support Plans Engagement and Wellbeing Centre Plan	Individualised processes for developing an understanding of individual student needs, and planning and implementing support strategies designed to meet these needs, in partnership with parents / carers, AEO, school staff and external agencies.	Specific Students
	Access to School Counselling, Chaplain/Student Wellbeing Officer, AEO, SSO	Provides mentoring, mental health support and counselling services for students facing academic, social, emotional, or family concerns, helping them manage their challenges and improve their wellbeing.	
	Access to external agencies	Refers students and their families to external resources for additional support beyond what the school can provide, ensuring a comprehensive support network.	
	Modified enrolment Programs: Aurora Alternative Education Pathway Flexible enrolment options (TAFE, SBAT)	Provides alternatives to mainstream options or where unable to get all their needs met by our internal curriculum structure.	

# <u>Planned responses to positive appropriate behaviour, inappropriate behaviour</u> and behaviours of concern, including bullying and cyber-bullying

At Dungog High School, we are committed to fostering a safe and inclusive environment where all members of our school community can thrive. We understand the importance of promoting positive and appropriate behaviour and are dedicated to supporting both students and staff in preventing negative behaviours.

Recognising that bullying is characterised by repetitive, intentional actions that involve a power imbalance, we are focused on identifying, preventing, and addressing this behaviour in all its forms. Our goal is to ensure a supportive atmosphere where everyone feels valued and respected.

#### **Education and Awareness**

Students are explicitly taught about what constitutes bullying, the impact it can have and how to respond effectively.

#### Reporting Systems

Students are able to report incidents directly to a teacher.

Students are able to report directly to a deputy principal and complete a paper form to report an incident.

Dungog High School has two trained Anti Racism Contact Officers (ARCO) where students and staff can report incidents of harassment and vilification.

### **Tiered Support**

We recognise that behaviour is a form of communication and that students require different levels of support to succeed. Our school adopts a three-tiered system of support:

- Tier 1: Whole-School Prevention Explicit teaching of expected behaviours, a focus on positive reinforcement, and school-wide strategies to promote a safe and respectful learning environment.
- Tier 2: Targeted Interventions Additional support for students who require more guidance, including small-group interventions, social-emotional learning programs, and structured mentoring.
- Tier 3: Intensive Support Individualised behaviour support plans, multi-agency collaboration, and personalised interventions for students with complex needs.

# Dungog High School Anti-Bullying Response Plan

Student reports incident: student reports Staff member witnesses or identifies antianti-social behaviour to a staff member. social behaviour Ensure all students involved are safe and supported Remove any immediate threats or potential harm. **Deputy Principal** Gather initial information from the student/s involved, witnesses and staff Assess the allegation Document the incident (include dates, times, witnesses) ARCO involvement if required. Is bullying confirmed? YES NO Contact parents/carers of the students Peer conflict involved · Restorative Conversation: hear both Restorative Practice: use professional sides, acknowledge feelings, and identify judgement to facilitate a restorative solutions meeting and address harm · Action plan: agree on steps to repair the Consequences and support: apply relationship and prevent future issues appropriate actions and provide ongoing Follow-up: check in to ensure resolution support, ensuring a safe and supportive and ongoing positive behaviour environment as per the NSW Doe Year Adviser and/or HT Wellbeing Behaviour code for students Support Ongoing Monitoring: regular check-ins with all parties involved (including families) to ensure resolution and prevent recurrence Review and adjust: evaluate the effectiveness of the action plan and make adjustments as needed Support services: provide continued support through counselling

and school wellbeing team if required.

### Appendix 1: Staged Response of Interventions

CT must have used at least 3 different strategies, including parent/carer contact, before referral to Head Teacher. Information recorded on Compass.

HT must have used at least 2 different strategies, including parent/carer contact, before referral to Senior Executive. Information recorded on Compass.

# Classroom Teacher

Classroom teacher interventions include (but not limited to):

- In class management (redirect, time out, move seating plan)
- Contact parent/carer
- Class Teacher detention
- Student Behaviour Monitor (in consultation with HT)
- Individual conversation
- Referral to HT (repeated behaviour)

# Head Teacher

Head Teacher interventions include (but not limited to):

- Parent/carer contact and/or interview
- Isolation from class
- Individualised student behaviour contract
- HT Detention
- Student Behaviour Monitor
- Student interview
- RP Conversation
- Referral to LST / YA / HTW for wellbeing intervention
- Referral to DP (ongoing, repeated behaviours or potential suspension offense)

# Immediate DP Support

Physical Violence

Verbal / Physical aggression towards a teacher

Illegal substances

Weapons

Racism

Misuse of technology

# Senior Executive

Senior Executive interventions include (but not limited to):

- Student Behaviour Monitor
- DP Detention
- Student Progress Report
- Senior class placement
- Student interview
- Referral to HTW / Counsellor / LST
- Parent/carer interview
- Improvement Plan
- Formal Caution
- Suspension/ Expulsion
