Principal's Message

With the warm weather upon us, our students are enjoying swimming lessons at Scully Pool. It has been wonderful to see the progress and improved water confidence of our students. Thank you Jaqui Gidley-Baird, Ella Murray and Olivia Murray for your assistance. Intensive swimming will continue until Friday, 15th December which is the last school day for students. We plan to have pizza at the pool and the water slide will be open. I would like to welcome Will Biffin to our school. Will is in Year 1 and has settled in very quickly to our school.

P&C News

The outdoor cinema and Christmas get together was a very successful family night. Thank you families for supporting this P&C initiative.

2024 School Captain

Congratulations Bailey Baker who was voted the 2024 School Captain and Margaret Skerrett who is the Vice Captain. The staff and students are looking forward to working with you next year.

Sonny Sustainability

Last Friday our school had a visit from Sonny the mascot and representatives from TRC including the Deputy Mayor, Judy Coates. The story was featured on Prime news and The Northern Daily Leader. Our school will deliver the sustainability program next year which features a lot of energy saving initiatives. We may even get another visit from Sonny.

Year 6 Farewell

Parents of Year 6 are invited to their fare-well on Thursday, 6th December at 9.30am at DPS. Staff and Year 6 students enjoyed a lovely dinner at Centillion Chinese restaurant last Friday night. Blake, Kody and Adrian have been wonderful school leaders and we wish them all the best in High School.

School Reports

School Reports will be handed out to students on Friday, 8th December. If you would like an interview with your child's teacher, please make an appointment by ringing the school.

Students Return 2024

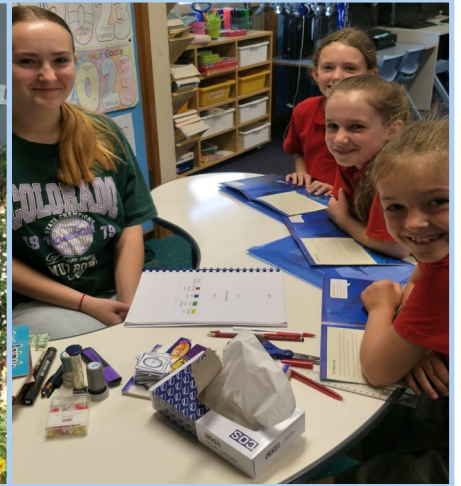

Students will return to school on Thursday, 1st February. Our Swimming Carnival will be Thursday, 8th February at Nundle Pool. A note will be handed to students when they arrive back next year.

Miss Hahn

I would like to thank Miss Kaitlyn Hahn for her assistance during her work experience time at our school. The students enjoyed having Kaitlyn here and I think she may have challenged a few with her handball skills.

Vegetable Garden

Our garden is looking very productive but a few vegetables will be ready to pick over the holidays. We have a bumper crop of tomatoes, herbs, lettuce, zucchini and cucumbers. If you would like to pick some, just drop me, Kerri-Anne, an email and we can arrange for someone to be here.

Farewell Miss Hahn

SUSTAINABLE SONNY
