Principal's Message

What an incredible term of learning we have experienced! I am immensely proud of the efforts and achievements of our students thus far this year.

I would like to extend my heartfelt thanks to all the staff for their dedication and meticulous work in preparing your child's Semester 1 report. I have read each report thoroughly and am delighted to send such positive feedback home to parents.

It is important to read and discuss the report comments with your child. These comments are designed not only to inform you of your child's achievements but also to provide guidance on how they can continue to improve. These conversations are vital in reinforcing that both the school and parents are united in supporting your child's learning journey.

Thank you once again to all the parents who have worked together this term to ensure their children could participate in extracurricular activities.

I also want to express my gratitude to the staff, students, and parents of the Dungowan School community for supporting me in my role as Acting Principal. I have thoroughly enjoyed this role and could not have succeeded without the support of those around me. We welcome Mrs Hubble's return from a well-deserved break in Term 3.

There will be multiple stations and activities on the course for the students, while being splattered with paint. There will be a BBQ on the day.
