Weeks 9/10

Monday, 9th December— Wednesday, 18th December.

Intensive Swimming.

Friday, 13th December

Year 6 Dinner Reports out

Wednesday, 18th December

Students last day of term Dungowan's Got Talent

Week 7 Principal's Message

What a fantastic day we had last Wednesday with Tania Longworth and her Lego Brick Pit. There was certainly no shortage of Lego pieces for our students to use as they completed 3 challenges over the day. The challenges complimented our Science and HSIE units being taught this term such as building a sustainable farm, creating a healthy meal on a dinner plate, creating a food chain and a garden with a variety of plants and animals living there. We were all amazed at the imagination and creativity our students used to build these scenarios.

Our recent data through the department shows that our school is above State in NAPLAN and Check-in but we are just below state with attendance. Improved attendance is a target area for all schools in the 2025 School Plan. Remember, Every Day Counts.

Sad News

Our sympathies go to the family of Mark Campbell who passed away suddenly last Sunday. Mark ran the school buses over many years and was an important member of our school community. His care and dedication to our children will always be remembered. Our thoughts are with his family.

School Captain Speech

Orlaigh delivered an inspiring speech to the students about what being a school captain will mean to her. Our Stage 3 students will be school leaders to assist Orlaigh in her role as school captain. Congratulations Orlaigh.

Life Education Visit

Students are looking forward to meeting up with Harold, our friendly giraffe who helps teach us about keeping safe, how to be a good friend, recognising our feelings and emotions and keeping ourselves healthy. He will visit our school on Thursday, 28th November. There will be 2 sessions - K-2 and 3-6.

Tamworth High School Information Evening

An information evening for parents of Year 5 and 6 students will be held on Tuesday, 26th November at 6.30pm. There is also an orientation day on Tuesday, 3rd December for Year 6 students.

Year 6 Farewell

Thank you Year 6 for your photos. Miss Taylor is organising them into a slide show. The students have been busily preparing their speeches for the day. Parents of our 2024 Year 6 are invited to attend the farewell on Friday, 6th December at 1.30pm.

Presentation Day

Presentation Day will be held on Thursday, 5th December at 9.30am. Parents are asked to bring a plate for morning tea afterwards. Students are to wear their full summer uniform.

School Reporting

Reports will be out Week 9. Parents are invited to make an appointment to discuss their child's report with their teacher.

Library Books and Classroom Resources

It is that time of year again that we remind students to return overdue Library Books and classroom learning games and resources. Your assistance is much appreciated. *Intensive Swimming*

Intensive Swimming begins on Monday, 9th December until Wednesday, 18th December at Scully Pool. A note will be given out soon.

Freeze food for fresh summer lunchboxes

Summer is just around the corner. Save time in the mornings by making food ahead of time and storing it in the freezer!

Try these ideas:

- Sandwiches with reduced fat cheese, vegemite or roast meat are great for freezing. Put the frozen sandwich straight into the lunchbox, not only will it defrost by lunchtime, it will keep the lunchbox cool.
- Make a batch of everyday snacks on the weekend and freeze. Try banana pikelets or zucchini slice!
- Keep yoghurt cooler for longer by adding frozen berries.
- Cut an orange into quarters and freeze for a delicious cold snack.
