Principal's Message

I would like to welcome Damon Mangan-Brandon to our school. Damon is in Year 5 and is settling in well.

The 11th November marks Remembrance Day. Let us all pause at 11.00am to remember and pay respect to those who have fought in all wars. Lest we forget. Our school captains will represent our school at the wreath laying ceremony at the Town Hall, organised by the Tamworth Sub-Branch of the Returned and Services League of Australia.

Thank you to the Woolomin School staff and the P&C for organising the Halloween Disco at their school. The children were treated to fun games, sausage sizzle and other goodies.

Our students enjoyed their day at the Tamworth Art Gallery and the Powerhouse Museum last Friday. They joined with students from Tamworth and surrounding small schools to present their artworks and talk about the significance of them. If you would like to view these works, please drop into the gallery. The artworks will be on display for a few weeks.

If you were able to attend the Nundle art show on the week-end, you would have seen some of our students' art works on display.

School Behaviour Support Management Plan

Our school behaviour management plan has been developed as a mandatory departmental requirement and will be ready to be implemented Term 1 2025. The Plan will be published on the School website. It will provide an overview of how the school will partner with parents and carers in establishing expectations for parent engagement in developing and implementing student behaviour management strategies and outline how the school will communicate these expectations to parents and carers.

The plan will be further outlined at the Parent Information Evening Term 1 2025.
