Principal's Message

It was great to see all our students back ready to start a new term. Thank you to those who were able to attend the ANZAC Day ceremony at Nundle. Our students looked very smart in their winter uniforms.

Staff travelled to Armidale for a mandatory staff development day on Higher Potential and Gifted Education. This policy will be implemented and published on day one 2026. The High Potential and Gifted Education Policy promotes engagement and challenge for every student in every school. The policy also identifies and addresses the learning needs of high-potential and gifted students.

Thank you to our P&C for running the BBQ on Friday for the Cross Country. Also thank you to the parents who assisted with time keeping and other jobs. All students tried their best, encouraged their peers and enjoyed the day.

Living Safely With Pets Program

Our K-2 students participated in the responsible pet program, learning to identify signals from a dog and how to behave appropriately around them. The students were excited to pat Tahlia who was a very cute daschound.

Sporting Schools Term 2

We are excited to have Athletics coach, Jay Stone return to deliver an athletics program for our students. Jay will instruct our students on running, relays, long jump, high jump and shotput over a period of 8 sessions. This has always been very beneficial for our student's athletic performance.

Activities Day at Woolomin

Our K-6 students will be participating in sporting and cultural activities at Woolomin School. Tamworth High School's Clontarf Group will be running most of the activities. Travel will be by bus. A permission note has been sent home.

GRIP Leadership

Years 5 and 6 will attend the GRIP Leadership Program at Tamworth Town Hall on Tuesday, 13th May at Tamworth Town Hall. The GRIP Student Leadership Conference is unique in that it concentrates specifically on training student leaders for their role as SCHOOL LEADERS.

Zone Cross Country

Notes will be sent home shortly for students who have qualified for the Zone Cross Country at Barraba on Friday, 16th May.

Biodiversity Day

Years 3-6 will attend a soil biodiversity day on Friday, 16th May at the Tamworth Ag Institute. These workshops will align with our sustainability program at school. A note will go out shortly. Please note that this is also the day of Zone Cross Country.
