Friday, 25th July

Capitol Theatre K-2

Week 2

Friday, 1st August

DPS Athletics Carnival

Principal's Message

It is hard to believe that we are at the end of term. I hope everyone gets to unwind and relax after what has been a very busy term. We are looking forward to seeing everyone at our end of term assembly to showcase our students' achievements. We have been encouraging everyone with their learning goals and it is great to see students making progress with their learning. A few minutes practice each day can make a lot of difference.

Simplified Student Logons

During the winter school holidays, the usernames of students in Kindergarten, Year 1 and Year 2 will be set to the department's new shortened format (student initials and the last four digits of their student reference number, such as JS1234 for example). Your child's teacher will be able to print off a login credentials card if you need it.

School Reports

School reports were sent home on Friday using the new Departmental format. Please sit down with your child to discuss the report with them. Parent/teacher appointments can be made now through Sentral.

UNE Voyager

Students enjoyed a wonderful day of science last Tuesday when the UNE Voyager visited our school. All activities were fun and engaging, especially learning about the laws of physics, chemistry experiments, plants, poops and pollinators and using clues to unlock a secret box in Escape from the Museum. Thank you to our presenters from the UNE for making this a rewarding day.

Koala's and Others

Students in 3-6 travelled to Tintinhull School last Wednesday to present their graphs and data from our Tree Troff to other schools who also have a Tree Troff. It was very interesting to learn about the types of wildlife we have close to our school. Our students are very excited about visits from various birds, feathertail glider, brushtail possum and unfortunately a cat. We have drafted an email to council to support the safe removal of the cat which we intend to send. Students have also made posters to make our community aware of the importance of protecting our native wildlife. Thank you to Wes Leedham from the Warrumbungle Education Centre and Landcare for involving us in this great program.

Colour Run

We are looking forward to hosting the Colour Run on Friday, 4th July. We have invited students from Woolomin and Nundle to join us on the day. Parents are welcome to join us on the day to assist with the activities but be prepared to get coloured! We are raising money for Stewart House. Stewart House runs a short-term residential program for New South Wales public school children that aims to improve children's health and wellbeing and provide them with respite from everyday life.

Books to Life

Tony "Bones" Appleby will once again entertain us with his performance of General Waste by Michael Streich. The performance will be at Dungowan Hall on the 22nd July (the first day back to school). Permission notes have been sent home.

Josephine Wants to Dance

On Friday, 25th July, K-2 will travel to the Capitol Theatre to see Josephine Wants to Dance, a musical adapted from the book by Jackie French. A note will go out shortly.

Dungowan Athletics Carnival

DPS Athletics Carnival will be held on Friday, 1st August. We are hoping for good weather and parent helpers on the day. More information will be sent home next term.
