Principal's Message

We would like to wish Maddison and Kaitlin Gardner all the best at the Regional Cross Country at Coolah on Thursday, 12th June. Good luck girls.

Musica VIVA

Our students were treated to an entertaining performance from Imagine Exploration at the CON last Wednesday. Students joined the musicians in activities using their own imagination to create their performance pieces.

Koalas and Others

Wes Leedham from the Warrumbungle Education Centre visited our school on Friday to assist our 3-6 students with their data collections about the Tree Troff. Our students have prepared a series of slides about the visitors to the tree troff which they are to present to other local schools at Tintinhull on Tuesday, 25th June.

They will compare their findings with these schools using a slide presentation. Wes has taught our students a lot about excel spreadsheets, tables and graphs.

NAIDOC Shield

Our 3-6 students will travel to Timbumburi to compete for the NAIDOC Shield with students from Tintinhull, Timbumburi, Nundle, Woolomin, Kootingal & Nemingha. Teams will be mixed and league tag rules apply. Permission notes have been sent out.

P&C Meeting

A P&C Meeting will be held in the school library on Tuesday, 3rd June at 5.00pm. The agenda items include school matters and the Prawn and Chicken night preparations. Everyone is welcome to attend.

Jersey Day

The SRC have organised a Jersey Day on Friday, 13th June. If you have an old football or any other jersey at home, you can wear it to school on that day. The SRC would like to support the Stewart House charity with a gold coin donation. We have also booked Brock Dunne who runs the Rugby league Blitz program. He will deliver a series of interactive sessions, including engaging talks, skill drills, and friendly matches involving the students.

Toys at School.

We would like to discourage toys being brought to school. They can be easily broken when they are shared around with others and this can cause distress and upset.

Library

Our library stocktake is completed. Thank you to Miss Taylor, Miss Rumble and Mrs Rumble for your hard work. This means that the library is ready for students to borrow books. Don't forget your library bags on Fridays. We also have some new books ready for borrowing.

3-6 CLASS LEARNING ABOUT SOLIDS AND LIQUIDS IN SCIENCE USING SLIME

Do you know any children turning 5 before July 2026 and ready to start school next year?

If so, please let them know about
Dungowan Public School's Head Start Program,
commencing Friday 15th August, 2023.

Please contact Dungowan Public School on 6769 4259
 for more information and an enrolment form.

Screen Free Week

Get involved in the global event during the first week of May and step away from screens for recreation.

It's a great opportunity to spend time doing things that don't involve technology, like being active, learning new hobbies, and enjoying family time.

During Screen-Free Week, we encourage students and families to:

- 👉 Play outdoor games or sports
- 👉 Explore nature and enjoy the outdoors
- 👉 Learn a new dance
- 👉 Spend quality time with family, like having a board game night or going for a walk
- 👉 Try a new hobby, like drawing, cooking, or crafting

Easy, simple lunchboxes

Fussy eaters can be overwhelmed by having too many options in their lunchbox. Keep the lunchbox simple for easy, healthy lunches that kids can eat before they run off and play.

Remember an everyday lunchbox is made up of:
