

Chifley College Dunheved Campus

Learn Discover Inspire

11th August 2025

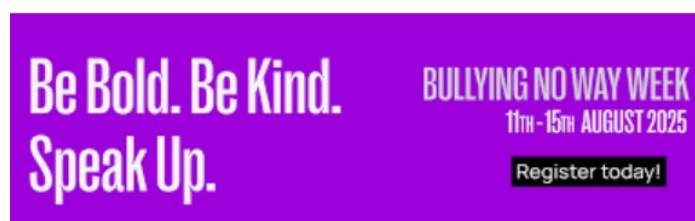

Dear Dunheved Community,

Please find the latest updates, key information and important calendar items to keep you informed and engaged for week 4. We hope these details help you stay up to date with all that's happening in our school community.

Bullying No Way week: *Be Bold. Be Kind. Speak Up.*

Our Wellbeing Team will be leading activities to raise awareness for the National Day of Action Against Bullying. This important initiative aims to educate and empower our students to stand together against bullying in all forms.

This year, we are proud to collaborate with Kids' Helpline, with students participating in a special *live broadcast lesson* during their Life Coaching classes. This broadcast will focus on practical strategies to prevent bullying and support others.

To extend this message throughout our school community, we will be incorporating anti-bullying messages into our Friday roll call PBL focus, featuring student leaders speaking on the topic during this morning's assembly, and updating the Wellbeing Wall to promote the National Day of Action. In addition, our school's social media will help raise awareness, including the release of a promotional reel at the end of Week 4.

Together, we're making a clear stand: *Bullying. No Way!*

Public Education Week – wrap up

As part of Public Education Week – *Ignite Your Potential*, it was wonderful to see the great work happening across the school—both in classrooms and through a variety of student opportunities and experiences.

Our social media was lit up with moments of creativity, collaboration, and celebration—from classroom highlights to performances, student achievements, and community engagement. The energy and enthusiasm across the week reflected the spirit of public education and the incredible talent within our school community.

In addition, it was an absolute privilege to be part of the audience for our CCDC performances at Westfield Mount Druitt. A big congratulations to Sammy and Rozanne of Year 7, who showcased their musical talents through three outstanding vocal performances. Well done to all!

Year 10 Transition to Stage 6 – Information, Subject Selection & Next Steps

A big thank you to our Year 10 students and their families who attended last week's *Stage 6 Pathways and Beyond Information Session*. The evening included special guests from Chifley College Senior Campus and the Educational Pathways Program (EPP) team. We hope the session provided valuable insights as students prepare for their transition from CCDC into senior studies and future career pathways.

Please note that on Monday, 18th August, Year 10 students will complete their Stage 6 subject selection at school with staff from the Senior Campus.

Don't forget – Year 10 students and their families can also book a time to meet with the Chifley College Senior Campus Principal. Please refer to the post for booking details.

Parents and Citizens Association Meeting

Our P&C meeting will be held this Wednesday 13.8.25 at 4:30pm in the Goomberry Centre. This is a wonderful opportunity to share ideas and collaborate with other parents and staff to support our school. Parents and carers are welcome to attend and be a part of the collaborative effort to enhance our school community. Afternoon tea including pizzas will be provided. All are welcome.

Sydney West Athletics – celebrating CCDC talent!

It was another successful year at the Sydney West Athletics event, held last week at the Sydney Olympic Park Athletics Centre. All students who attended, represented our school with pride and demonstrated outstanding athleticism across a range of events.

A special congratulations to the following students who have qualified for State level – an incredible achievement!

- Genesis – year 8: 1st in 100 metres (13 years) & 2nd in 200 metres (13 years)
- Genesis, Rico, Jonathon & Dawson: 2nd in the relay event (13 boys)

We are so proud of your dedication, effort, and sportsmanship. Best of luck at the State Championships!
