Learn Discover Inspire

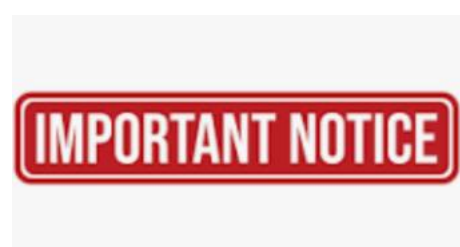

8th September 2025

Dear Dunheved Community,

Please find the latest updates, key information and important calendar items to keep you informed and engaged for week 8. We hope these details help you stay up to date with all that's happening in our school community.

Parents and Citizens Association Meeting

Our next P&C meeting will be held this Wednesday 10.9.25 at 4:30pm in the Goomberry Centre. This is a wonderful opportunity to share your ideas and collaborate with other parents and staff to support our school. This week, we will tour the Agriculture farm and view the new café. Parents and carers are all welcome to attend and be a part of the collaborative effort to enhance our school community. Afternoon tea including pizza will be provided. Kindly phone the front office to confirm your attendance

R U Okay? Day

This Thursday 11.9.25, our school will be participating in R U OK? Day, a national initiative dedicated to promoting mental health and encouraging open conversations about wellbeing.

This important day is an opportunity for us all to check in with each other and offer support. Throughout the day, we will engage in various activities aimed at raising awareness and fostering a supportive environment. We encourage everyone to take a moment to ask their peers, friends, and family, "Are you okay?" and to listen with empathy. Together, we can make a difference and create a stronger, more connected community.

Year 7 NISEP Science Expo

Last week, we held our Year 7 NISEP Science Expo with special guests from Macquarie University. Volunteers from the university engaged our students with exciting, hands-on science experiments, sparking curiosity and enthusiasm across the cohort.

A group of CCCD Year 9 and 10 students also had the opportunity to develop their leadership skills by working alongside the Macquarie University volunteers to help facilitate the experiments with our Year 7 students.

We're especially proud of our Year 10 students, Noor and Kirsten, who will continue their science journey during the upcoming holidays. They have been selected to attend a three-day workshop at Macquarie University, further developing their passion and skills as they explore future opportunities in science.

Assets Update – CAFÉ completed!

We're excited to announce that our café upgrade is now complete!

This newly improved space is now fully functional and features a sink, additional power outlets, new flooring, gyprock, and custom shelving.

These upgrades will significantly enhance the smooth running of our daily Breakfast Club, providing a more efficient and practical environment for everyone involved.

CCDC Sporting Stars!

Last week, our students showcased their incredible talent and dedication across a range of sporting competitions, including Oz Tag, Rugby League, and the Western Sydney Inclusion Shield Cup.

We are so proud of our CCDC students for their outstanding determination, teamwork, and sportsmanship. A special congratulations goes to our CDL students, who took out the Inclusion Cup Shield for 2025 — a fantastic achievement that reflects their hard work and spirit!

This week promises to be just as exciting, with more sporting events on the horizon. Today, our students are hitting the field for the Flag Football competition, followed by the Year 7 Gala Day tomorrow.

Go team CCDC!
