

Chifley College Dunheved Campus

Learn Discover Inspire

10th November 2025

Dear Dunheved Community,

Please find the latest updates, key information and important calendar items to keep you informed and engaged for week 5. We hope these details help you stay up to date with all that's happening in our school community.

Remembrance Day

This morning, we gathered to honour and remember the sacrifices made by those who have served our country. Remembrance Day, which falls tomorrow on Tuesday 11.11.25, is a poignant reminder of the courage and dedication of our veterans and active service members. Together, we reflected on their bravery and the values of peace and freedom that they fought to protect.

Let us carry forward their legacy by promoting understanding and compassion in our daily lives.

School Counsellor and School Psychologist Recognition Day

This year's theme, "Together, We Grow," celebrates the vital role our school psychologists play in nurturing student growth, building strong and supportive relationships, and working collaboratively across our school community.

Last Friday, we acknowledged and thanked our dedicated School Psychologists – Hamish and Sarah, for the invaluable support they provide every day. Much of their work happens quietly behind the scenes, but its impact is deeply felt — empowering students, supporting families, and strengthening wellbeing across our school.

Swim Awareness Days: next week!

We're excited about our upcoming Water Awareness Days next week! These school day events are part of a study of Swim Awareness and Water Safety in the PDHPE curriculum. The following school days will be spent at the Mount Druitt Swimming Centre, focusing on promoting water safety and essential swimming skills to help everyone enjoy the water safely:

- Year 8 – Monday 17.11
- Year 9 – Tuesday 18.11
- Years 10 - Wednesday 19.11

Our Year 7 students will participate in 'Learn To Swim' days on the Wednesday and Thursday of week 7.

Students must bring their signed permission notes back to school to ensure that they can fully participate in all the activities planned for the Water Awareness Days. If student assistance is required, please phone the front office and ask to speak to Ms Harrison or Mr Prasad from the PDHPE faculty.

Year 10 Success @ Senior – week 7

Year 10 students will participate in a four-day transition program at Chifley College Senior Campus in Week 7. This initiative offers students an invaluable opportunity to experience the academic and social environment of the senior years, preparing them for the next stage of their education.

Over the course of the program, students will engage with senior teachers, explore learning spaces, and participate in sessions designed to give them insight into the expectations and opportunities in Year 11 and beyond. Our CDL students will participate in this program on Tuesday and Wednesday of this week. The transition to senior school is an important milestone, and Year 10 students will embrace this experience.

Permission notes for this program will be issued to students this week, and families are asked to ensure signed notes are returned to the Front Office as soon as possible.

TERM 4 2025 DATES

Date	Activity
Tuesday 11 th November	Chifley College Girls Rugby League Game
