

Responsible Pets

Annette from Responsible Pets visited our school with Tahlia. Our students learnt about how to be safe with dogs you don't know.

Thanks Mr Brown

Thank you to Steve Brown for organising saw dust for our long jump pit. Students are practicing skills for the Athletics Carnival at the beginning of Term 3 and will now be able to improve their long jump skills.

GOLD COAST/ BRISBANE Excursion

Our 3-6 students will be attending an excursion to the Gold Coast from Monday 15th Sept to Friday 19th Sept. The cost is \$600 per student with the P&C and school both contributing \$3000 each. Thank you for paying the deposits and booking your child's spot.

We do understand this is still a significant amount of money and would advise that parents begin to make regular payments as soon as possible.

NSW Public Schools Survey

In Term 2, our school is taking part in the NSW Public Schools Student Survey. The survey is being conducted by the NSW Department of Education (the department) and invites students to provide valuable feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. This will be conducted online and will take approx. 10 minutes to complete. If you **do not** want your child to take part in the survey, please complete the opt out form being sent home today.
