

Term 3 Week 10
Thursday 25th September 2025

MERIT AWARDS

Congratulations to all students who received a merit award!

Wombats	Ava Laurence – Working hard to segment in reading. Kayra Taban – Outstanding effort to decode in reading. Cooper Lynch – Great work during Soundwave lessons. Memphis Tambiah – Working hard to try and write a sentence independently.
Wallabies	Rex Chapman – His confidence sharing his speech with his peers. Evie Taliana – Using a loud and clear voice when presenting her speech. Rosie Woldhuis – Demonstrating confidence when presenting her speech. Xavier Harris – Presenting your speech with enthusiasm.
Lorikeets	Te Hau Holt-Alexander – Excellent effort in basketball activities. Archie Williams – Showing great responsibility and initiative in class. Ruby Skillin – Great improvement in her bookwork. Zahlia Harris – Being a kind and considerate class member.
Kingfishers	Lucy Hamilton – Great effort and skill level displayed during basketball sessions. Terence Finn – Great effort and application displayed towards his work. Kaiden Skillin – Displaying a positive approach towards his work while giving his best effort. Bryce Fuller – Great ideas expressed well in narrative writing.

Congratulations!

PRINCIPAL'S MESSAGE

Dear Parents and Carers,

As Term 3 comes to a close, I'm filled with gratitude for the hard work and dedication of our students, parents, and staff. It's been a term of achievements, growth, and shared experiences.

Thank you to all the parents able to participate in our Parent Teacher Interviews this week. Your active participation in this crucial aspect of your child's education is truly appreciated. It's through these meetings that we can work together to ensure your child's success. Your presence also reinforces the idea that education is a collaborative effort between parents, teachers, and students. We value your insights and feedback, as they provide us with valuable perspectives on your child's progress and help us tailor our support to meet their unique needs.

Our Term 3 Dyuraligu gathering was lots of fun, with mums, dads and siblings all joining in to play some friendly games of handball. Dyuraligu means growing the future together and is a relaxed and fun way for parents to be involved with their children at school. We finished the night off with some delicious hotdogs and the lucky door prize draw. Thank you to all families who were able to join us on the night!

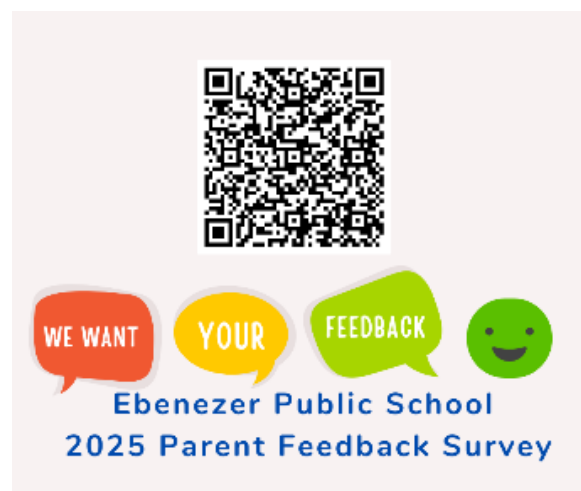

Last week our Stage 2 students had a great time at Brewongle with Mrs Watson, Mrs Vallis and Mrs Dowey. Stage 3 also had an amazing time on their Canberra Camp with Mrs Keys and Mrs Willoughby-Green. Thank you to these teachers for ensuring our students had great camp experiences mixed in with lots of fun and learning.

Congratulations to all students who tried their very best with the public speaking competition this term. The stage finalists for Stage 2 and Stage 3 presented their speeches earlier this week. They then prepared and presented an impromptu speech, which is a requirement of the next level of this competition. Each student did their very best and should be proud of their accomplishments. Congratulations to Tahli, Terry, Sienna and Jordyn for qualifying for the next level. They will represent our school at the regional semi finals early next term. The grade finalists for K-2 will present their speeches at tomorrow's school assembly.

Our Term 3 Reading Challenge was tracked from Term 2 Week 10 through to the end of last week (Week 9). Congratulations to those students who reached this term's goal of 50 reading sessions and celebrated with a free pizza lunch today. A special mention goes to Miles Iredale (K-2) and Jed Kemp (3-6) for being the students who logged the most reading sessions! Next term we are looking for students to complete a total of another 50 reading sessions, from Term 3 Week 10 through to the end of Term 4 Week 9.

We will be celebrating all students whose attendance percentage is 90% or more for the term on Friday at lunch time as part of our termly 90s Club with some yummy treats. This is an exciting prospect for students and staff alike! If you aren't sure where your child's attendance is up to, you are able to check this in the 'Attendance' tab of your School Bytes Parent Portal. Given all the illnesses going around this term, an incredible 52 students are on track to be eligible with 90% or more attendance, which is still an increase from 49 students eligible in Term 3 last year. Whilst we recognise that regular attendance at school is very beneficial to the academic and social development of students, it is also important to keep your child home if they are unwell.

We have a parent survey open now, seeking your feedback on our school processes and values. If you haven't yet filled it in at the Dyuraligu Handball and Hotdogs gathering or Parent Teacher Interview evenings, please [have your say by clicking this link](#) or scanning the QR code below. It is open until the end of the school holidays.

Our staff have worked tirelessly to ensure our students have had a successful Term 3. I wish all our teachers, School Learning Support Officers, Office staff and General Assistant a safe and relaxing break. I also wish our students and families a happy and safe holiday and we look forward to seeing all of you back with us next term on Tuesday 14th October 2025.

Andrea Dziubinski
Principal

GRANDPARENTS DAY & BBQ & 2025 BOOK FAIR

Grandparents, families and friends of Ebenezer students are invited to join us for a special day on Wednesday 22nd October 2025, commencing at 11.30am. A BBQ lunch order will be sent to families shortly – this will be a Year 6 fundraiser.

11.30am - 12.00pm Open classrooms – visit your child's or grandchild's classroom to see their learning environment.

12.10pm - 12.40pm Special Assembly – each class has rehearsed a special performance for your enjoyment.

12.40pm Book Fair – we have a book fair set up in the hall (great gifts for Christmas) and BBQ lunch (pre orders only).

SAVE THE DATE – 2025 PRESENTATION DAY

Our whole school Presentation Day will be held at school on Wednesday, 10th December 2025. More details will be sent home early next term.

2025 READING CHALLENGE – Term 4

The 2025 Reading Challenge continues again in Term 4! Students are challenged to complete five reading sessions each week. Reading sessions are 15 minutes of reading and can be completed during the week or even over the weekend and will still count. Reading logs need to be returned to your child's class teacher each Friday, along with their other homework, so teachers can record the week's total in our tracking log.

This term we are looking for students to complete a total of 50 reading sessions, from Term 3 Week 10 through to the end of Term 4 Week 9.

STAGE 3 CAMP

Students from our school have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage, and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding to our school in the amount of \$45 per student under the Parliament and Civics Education Rebate program. The rebate is paid directly to the school upon completion of the excursion.

BUSHFIRE SEASON ARRANGEMENTS FOR EBENEZER PS

Ebenezer Public School's Bushfire and Grassfire Risk Rating is **Category 2**.

This means our school has high landscape-to-site bushfire and grassfire risk. For this reason, early proactive decision making to reduce risk is required. This means that when the NSW RFS has declared a Catastrophic Fire Danger Rating (FDR) for the following day, the department will direct our school to temporarily cease operations on that day.

Ebenezer PS may also be directed to temporarily cease operations at any time by the department on advice from emergency services or the State Emergency Operations Centre, even if a Catastrophic FDR has not been declared.

During the bushfire danger period, conditions can change quickly so it is important to remain vigilant and informed (for example, staying informed via the Hazards Near Me App, local radio). Early evacuation is always the safest option. If this is not possible, NSW RFS has deemed our safest 'Shelter in Place' is A Block, which is our Office, Wallabies and Wombats classroom building.

To ensure that we continue to support student learning on these days, the following link is available for remote learning geared at your child's grade level:

<https://sites.google.com/education.nsw.gov.au/guided-learning-packages>

We understand that during a fire warning event, you may not have internet access or be needing to put your family's fire plan into action. This information is provided in case you are in a safe position to access remote learning for your child.

KINDERGARTEN ENROLMENTS FOR 2026

Kindergarten enrolments are now open for 2026. If you have a child or know of a child in the local area who will be 5 years old by 31st July 2026, they are eligible to enrol in a NSW Public School. Please go to our website – <https://ebenezer-p.schools.nsw.gov.au/> and click on the ENROLMENT tab as shown below.

Enrolment interviews with the Principal are now underway. This is a great opportunity to look at our lovely school and discuss each child's individuality in preparation for starting school. If your child is starting school next year and you are yet to book in, please call the school office to organise a convenient time.

UPLIFT UPDATE

Uplift Update focuses on the power of positive feedback. By recognising and celebrating our students' achievements, we aim to enhance their learning experience and boost their confidence. Research shows that positive feedback not only motivates students but also helps them develop a growth mindset. When students feel valued and acknowledged, they are more likely to engage actively in their learning and take on new challenges.

Throughout the school year, we often notice small but significant improvements, acts of kindness, risk-taking during lessons and skill mastery to name a few worthy achievements. Whilst we celebrate some of these with verbal feedback, praise and stickers or stamps on the spot, this moment may be swallowed up in the busyness of each school day and students may not remember to relay this success to you. Sometimes we capture these moments for school assembly and Presentation Day awards. Through Uplift Update, we will encourage teachers to share uplifting messages about students' progress and successes with you, either through a phone call or email. We believe that by highlighting individual and collective achievements, we can foster a culture of encouragement and collaboration within our school community.

We invite you to join us in this initiative by reinforcing positive feedback at home. Celebrating small and big wins together can make a significant difference in your child's motivation and self-esteem.

Thank you for your ongoing support as we implement Uplift Update. Together, we can create an even more positive and enriching environment for our students to thrive.

ATTENDANCE MATTERS

Once enrolled, students from Kindergarten to Year 6 are required to attend school each day. It is important that students arrive at school and class on time so that they do not miss out on important learning activities scheduled early in the day. Each day, teachers mark attendance for every student at 9:00am. Lateness is recorded as a partial absence and must be explained by parents.

On occasion, your child may need to be absent from school. Justified reasons for student absences may include illness, having an unavoidable medical appointment, being required to attend a recognised religious holiday, exceptional or urgent family circumstance e.g. attending a funeral.

A reminder that our school converted our absence notifications to text messages. If your child is absent from school from this date on you will receive an automatic SMS from the school notifying you of your child's absence and requesting a justification for their absence by return SMS.

Families are encouraged to travel during school holidays to minimise learning disruptions.

If travel during school term is necessary, please discuss this with Mrs Dziubinski. An Application for Extended Travel may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

Please notify the school office if you have recently changed your mobile phone number to ensure our records are up to date.

All students at Ebenezer PS are to:

- Attend every school day, unless they are legally excused, and be in class on time and prepared to learn.
- Maintain a neat appearance, including adhering to the requirements of the school's uniform or dress code policy.
- Behave safely, considerately and responsibly, including when travelling to and from school.
- Show respect at all times for teachers, other school staff and helpers, including following class rules, speaking courteously and cooperating with instructions and learning activities.
- Treat one another with dignity and respect.
- Care for property belonging to themselves, the school and others.

Days missed = years lost

A day here and there doesn't seem like much, but...

K – 6 SCHOOL ASSEMBLIES

Our school assembly will be on Fridays in the hall at 2.00pm. Parents and carers are welcome to attend.

Term 3 Week 10 – Lorikeets will be presenting a class item

OOSH – OUT OF SCHOOL HOURS CARE

Ebenezer PS has an OOSH (Out of School Hours Care), located near the school hall. OOSH is available for Kindergarten to Year 6 students. Parents of before and after school care children can access the school to drop off and collect their children. An adult is required to physically sign children in and sign out of OOSH.

If crossing the road before or after school outside our crossing supervisor times, please hold your child's hand or walk with them across the road.

Parents interested in enrolling their children can contact OOSH in person or by phone on 0459 784 285 or by email: ebenezeroosh@hotmail.com. Enrolment paperwork is also available at the office.

UNIFORM POLICY

The wearing of a school uniform by students will assist Ebenezer Public School community in:

- defining an identity for Ebenezer Public School
- developing students' sense of belonging at Ebenezer Public School
- providing an opportunity to build our school spirit
- enhancing the health and safety of students when involved in school activities
- promoting a sense of inclusiveness, non-discrimination and equal opportunity
- reinforcing the perception of the school as an ordered and safe environment

MOBILE PHONES AND DEVICES AT SCHOOL

At Ebenezer Public School the safety and privacy of all students, staff and visitors is paramount. This mobile phone and device policy is supported by other school policies including the school Code of Conduct, School Rules and expectations and the school anti bullying policy. The support of parents/guardians and the school community in implementing this policy is greatly appreciated.

A student may need to have a mobile phone, smart watch or other digital device during the school day e.g. safety reasons travelling to and from school. To ensure that mobile phones and devices are **not** being used inappropriately, however, please follow these steps:

1. All students carrying mobile phones and/or devices to and from school are required to leave it switched off at the school office during school hours (including bus lines).
2. If a student is found to be in possession of a mobile phone or device, their phone will be confiscated, and the student's parents will be advised that a permission note is required before the phone/device is returned to the student.
3. If a student is found to be in possession of a mobile phone/device more than once without permission, a detention will be issued.

If there is a message you need to communicate with your child about changes to after school arrangements, please call the school office before 2:45pm and we will pass the message on.

ROAD SAFETY

We request that parents and students walk to and from school using the road safety guidelines. We have a Pedestrian Crossing Officer who monitors the children's crossing on Sackville Road each morning and afternoon.

Some safety tips:

Children's Crossing-

- Slow down and stop before the stop line if a pedestrian is on or is about to enter the crossing.
- Do not proceed until all pedestrians have left the entire crossing.
- If the road beyond the children's crossing is blocked you must not drive into or stop on the crossing.
- You must not stop in the No Stopping zones either side of the crossing as this blocks vision.
- You must **NOT** conduct u-turns across double lines before or after the crossing.

Walking to school-

- Walking to school is a great way for both you and your children to get some physical activity and stay healthy.
- Remember to set a good example and use pedestrian facilities when available.
- Always hold hands and teach the road safety rules of stop, look, listen and think before crossing the road.

No Stopping zones-

- Do not stop in a No Stopping zone at any time.
- These zones are designed to allow visibility for pedestrians and drivers especially around crossings.

Bus Zones-

- You must not stop within a Bus Zone at any time.
- If times of operation are shown on the sign, the restriction applies only at those times.

BUS BEHAVIOUR

A number of students use the Busways bus services to get to and from school. It has come to my attention that some students aren't displaying safe behaviours when on the bus, which I have spoken to students and Busways about. It is always important for all students to be safe before, during and after their bus journey and I request that you discuss the safe bus rules with your children if they catch a bus.

Bus Rules for Ebenezer students:

- Listen to the driver
- Walk quietly onto the bus and find a seat
- Once you sit, stay in the one seat
- Sit your legs facing the front
- Wait until the bus comes to a complete stop before you get off, get off slowly and safely.

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

Ebenezer is a Positive Behaviour for Learning (PBL) school. Students are expected to demonstrate behaviours associated with our four school expectations/rules:

- Be Safe
- Be Responsible
- Be Respectful
- Be a Learner

PBL TOKENS

During class time, students are recognised when being safe; responsible; respectful or a learner by their teacher with a corresponding token. These tokens are stuck onto a token chart kept in their classroom and a full chart is exchanged for a Token Award at the next Friday assembly. These tokens are also tracked by teachers to ensure we are acknowledging and celebrating student achievements.

15 Tokens (Safe/ Responsible/ Respectful/ Learner/ Eagle/Attendance) = 1 Token Award

3 Token Awards (45 Tokens) = Bronze Award

6 Token Awards (90 Tokens) = Silver Award

9 Token Awards (135 Tokens) = Gold Award

3 Gold awards (405 Tokens) = Gold Medallion

This system is ongoing, with the names of students who received a Gold Medallion throughout the year are engraved on the perpetual Token Shield at the end of each year.

Gold Award recipients and their parents are also invited to a free celebratory morning tea with the Principal at the end of each semester, as further recognition of their ongoing commitment to displaying school expectations.

CRUNCH&SIP

Crunch&Sip® is a set break for students to ‘refuel’ on vegetables, salad and fruit and ‘rehydrate’ with water. Students who are not hungry and are well hydrated perform better in the classroom, show increased concentration, and are less likely to be irritable and disruptive. Many students are not eating enough vegetables and fruit or keeping sufficiently hydrated.

Please remember to send fruit or vegetables and a bottle of water each day.

FRUIT- All fresh fruit, e.g. a banana, chopped melon. Please cut fruit such as apples and place in a zip lock bag or small plastic container for younger children.

VEGETABLES- Fresh vegetables, e.g. carrot sticks, cucumber slices, celery sticks.

DRINK- Only plain water please. No other drinks are allowed as they are laden with sugar.

LUNCH BOX NEWS

Please remember when packing lunches for school days, that spoons and forks are okay to pack for your child’s lunch but no knives (metal or plastic) please.

Also, please do not include glass drink bottles in your child’s lunch – plastic and metal drink bottles or poppers in plastic or cardboard are all ok to bring to school.

We have a ‘brain break’ during the morning learning session so please remember to pack your child a “Crunch&Sip” snack in addition to their recess and lunch food. This can be any fresh fruit or vegetables and water to drink. Please do not include fruit flavoured snacks or juice/cordial for this snack break.

Grab & go snacks

Everyday snacks are an important part of the lunchbox.

Keep snacks bite-size and easy to eat so your kids can have lots of time to play! Here are a few ideas:

- Choose snack sized vegetables that are ready to eat like baby cucumbers, snow peas and cherry tomatoes
- Choose everyday snacks that are easy to eat like wholegrain crackers, air popped popcorn, cut up fruit or reduced-fat yoghurt tubs/pouches
- Some kids may be put off by foods that are squashed. Store easily squished items like strawberries and grapes in containers. Remember to make sure the lids are easy to open!

Cherry tomatoes

Snow peas

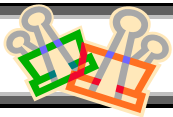

Reduced-fat yoghurt

Air popped popcorn

Fruit cup in natural juice

DISCLAIMER

Advertisements are accepted for insertion in this newsletter in good faith and in the belief that the goods and /or services offered are genuine. Inclusion of business advertisements is on a payment basis, and does not, unless specifically stated, imply support for that business or their services or products. Community notices are accepted without charge, subject to space being available.

Get active each day

Physical activity helps children grow strong, feel confident, stay focused, and develop important skills. As your child adjusts to school life, these resources can help your family include daily movement and keep screen time in check.

NSW Health Primary School Dental Program

NSW Health is working with public primary schools to offer free dental check-ups and preventive care to students as part of a school-based mobile dental program. Your child's school has been selected to participate in this program.

The program involves a mobile dental team making scheduled visits to your child's primary school. During the first appointment a dental check-up and preventive care package will be provided, subject to parental consent.

NSW Health prioritises the health, well-being and safety of your staff and students. The program will utilise all available information provided by NSW Health, the Australian Government and the World Health Organisation (WHO) in relation to COVID-19. Our staff have implemented and reinforced a number of additional, proactive health and safety measures to ensure we can continue to provide your students with the best and safest experience possible. This will include NSW Health staff completing a temperature screen of your child prior to their dental examination.

The program is scheduled to visit your child's school from 24/11/2025 to 25/11/2025.

Parent Information and Consent Packs will be sent home, including information sheets, consent forms and the program privacy statement. Parents/guardians who want their child to receive care are advised to:

1. Read all the information provided
2. Carefully complete the consent forms
3. Return the consent forms to the school as soon as possible

More information about the program is available on the NSW Health website:
