PRINCIPAL'S MESSAGE

Dear Parents and Carers,

Education Week was an amazing time to celebrate the learning our students have been doing during the year. It was great to have so many parents and extended family members join us for our Open Day celebrations. The assembly was wonderful, with excellent behaviour from all our students and fabulous performances. Each class excitedly presented their items at our outdoor assembly, as well as a great performance from our school choir. In line with this year's theme of 'Ignite your potential' I spoke of how our students show their pride in belonging to our wonderful school through wearing their school uniforms, their respectful conduct and their positive attitude to learning. Thank you to all who visited our wonderful school. It was our great pleasure to have you join us.

Congratulations to Bryce and Sienna for their participation in today's Regional Spelling Bee Finals. They both represented our school well and did their very best, only being knocked out by some tricky words to spell. We are so proud of them both.

We have our annual Art Show and Fun Fair coming up soon. I hope most of our families are able to come along and join in the fun on Saturday 30th August - this is a huge event for our small school. I extend my gratitude to those who have been working behind the scenes to get this planning done for what is looking like a great event. If you can spare some time on the Friday night or during the Fun Fair on Saturday to assist with some of the stalls, please do so – the funds are being raised for our students and many hands make light work.

Congratulations to Mrs Janenne Howarth, who was the successful applicant through the merit selection process and is now our permanent General Assistant. Mrs Howarth has been working at our school in a temporary capacity this year and we are excited to welcome her into the permanent role. Mrs Howarth has been working tirelessly around our school and it is looking fantastic!

As advised at our last P&C Meeting, I will be taking some planned leave over the next two weeks, with Mrs Arline Concha stepping in as Relieving Principal during my absence. I have full confidence in Mrs Concha's experience, knowledge and leadership and know she will continue to support our beautiful school well. Also during this time, Mrs Winter will be stepping into the Relieving APCI role, with Mrs Julie Smith, who is a well-known casual at our school, teaching the Wombats class.

Please be aware that black shoes are a standard part of our uniform except on sport uniform day, which is Wednesdays this term. Please do not allow your child to tempt you into buying a pair of shoes with 'sprouts of colour' on them. Consistency of uniform helps us maintain pride in our school.

Andrea Dziubinski
Principal

Congratulations to the following students who were chosen by their classmates to be the SRC representatives for their class. I look forward to working with you to raise money for our chosen charities and to improve our school.

BOOK WEEK

Week 5 is Book Week! The theme is 'Book an Adventure'. We are celebrating with a Book Parade on Thursday 21st August at 12.40pm and look forward to seeing all the amazing costumes.

TERM 3 PUBLIC SPEAKING COMPETITION

During Term 3, students will be working on developing their public speaking skills as part of the school's literacy program. All students will be involved in a public speaking competition. They will present their speeches to their classes during Weeks 7 and 8 (1st – 12th September) of Term 3. Two students in Stage 2 and two students in Stage 3 will be selected from these to represent Ebenezer Public School in the Hawkesbury Public Speaking Competition Semi-Finals in October. Topics for each age group and the marking criteria have been emailed to parents and a paper copy provided to all students.

Mr McFadden (Coordinator) and Mrs Concha (AP Curriculum)

2025 READING CHALLENGE – Term 3

The 2025 Reading Challenge continues again this term! Students are challenged to complete five reading sessions each week. Reading sessions are 15 minutes of reading and can be completed during the week or even over the weekend and will still count. Reading logs need to be returned to your child's class teacher each Friday, along with their other homework, so teachers can record the week's total in our tracking log.

This term we are looking for students to complete a total of 50 reading sessions, from Term 2 Week 10 through to the end of Term 3 Week 9.

DYURALIGU – Hotdogs and Handball

On **Thursday 11th September at 5pm** we will hold our next Dyuraligu gathering. Dyuraligu means growing the future together and is a relaxed and fun way for parents to be involved with their children at school. The evening will involve playing with your child to enjoy a game or two of handball. To help keep your energy up there will be hotdogs to enjoy.

Whilst this initiative is primarily aimed at fathers/ father figures and their children, mothers or grandparents are most welcome to take part in this event with their child.

LANTERN FESTIVAL

The Art Interest Group has been working on a project to create a lantern design and then paint it onto fabric. This fabric will be made into a lantern, then displayed at this year's Lantern Festival on **Tuesday 26th August at the Hawkesbury Showground**. This year has seen a marked increase in schools participating and we are proud to be a part of it!

The event starts at 4.30pm and will include some fun activities for children, as well as some food stalls. A few students from the art group will walk the lantern in the procession once the sun has set.

ALL Ebenezer PS families are invited and welcome to attend! Please find below the attendance form link for the 2025 Lantern Festival. **RSVP and payment need to be submitted by 3pm on the 22nd August 2025.**

YEAR 1 PHONICS SCREENING CHECK

Over the next couple of weeks, all Year 1 students will participate in the Year 1 Phonics Screening Assessment with their teacher. The Year 1 Phonics Screening Check is a short one-on-one assessment to inform teachers how students are progressing in phonics. The assessment complements existing strategies to identify students' progress in developing foundational literacy skills and allows teachers to effectively make decisions about a student's learning.

CHECK-IN ASSESSMENTS

During Term 3 students will participate in the Check-in assessment. The Check-in assessment is a NSW Department of Education online literacy and numeracy assessment available to support schools to assess and monitor student learning.

The assessment can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs. Students with disability may receive the same level of support during the assessment they would normally receive in the classroom.

- The assessments will be scheduled for our Year 3-6 students during Weeks 5, 6 and 7 of Term 3.
- All students complete a reading assessment and a numeracy assessment. Year 6 students will also complete a writing assessment.

PARENT TEACHER INTERVIEWS – TERM 3

To foster open communication between parents, teachers, and students, we will be conducting Parent-Teacher Interviews again towards the end of Term 3 (23rd and 24th September). An email will be sent to all families when the bookings open in the School Bytes parent portal. Parent-Teacher Interviews provide a valuable opportunity for you to discuss your child's progress, goals, and any concerns you may have. We highly encourage all parents and carers to participate in these interviews, as they play a crucial role in fostering a collaborative approach to your child's education.

UPLIFT UPDATE

Uplift Update focuses on the power of positive feedback. By recognising and celebrating our students' achievements, we aim to enhance their learning experience and boost their confidence. Research shows that positive feedback not only motivates students but also helps them develop a growth mindset. When students feel valued and acknowledged, they are more likely to engage actively in their learning and take on new challenges.

Throughout the school year, we often notice small but significant improvements, acts of kindness, risk-taking during lessons and skill mastery to name a few worthy achievements. Whilst we celebrate some of these with verbal feedback, praise and stickers or stamps on the spot, this moment may be swallowed up in the busyness of each school day and students may not remember to relay this success to you. Sometimes we capture these moments for school assembly and Presentation Day awards. Through Uplift Update, we will encourage teachers to share uplifting messages about students' progress and successes with you, either through a phone call or email. We believe that by highlighting individual and collective achievements, we can foster a culture of encouragement and collaboration within our school community.

We invite you to join us in this initiative by reinforcing positive feedback at home. Celebrating small and big wins together can make a significant difference in your child's motivation and self-esteem.

Thank you for your ongoing support as we implement Uplift Update. Together, we can create an even more positive and enriching environment for our students to thrive.

ATTENDANCE MATTERS

Once enrolled, students from Kindergarten to Year 6 are required to attend school each day. It is important that students arrive at school and class on time so that they do not miss out on important learning activities scheduled early in the day. Each day, teachers mark attendance for every student at 9:00am. Lateness is recorded as a partial absence and must be explained by parents.

On occasion, your child may need to be absent from school. Justified reasons for student absences may include illness, having an unavoidable medical appointment, being required to attend a recognised religious holiday, exceptional or urgent family circumstance e.g. attending a funeral.

A reminder that our school converted our absence notifications to text messages. If your child is absent from school from this date on you will receive an automatic SMS

from the school notifying you of your child's absence and requesting a justification for their absence by return SMS.

Families are encouraged to travel during school holidays to minimise learning disruptions. If travel during school term is necessary, please discuss this with Mrs Dziubinski. An Application for Extended Travel may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

Please notify the school office if you have recently changed your mobile phone number to ensure our records are up to date.

All students at Ebenezer PS are to:

- Attend every school day, unless they are legally excused, and be in class on time and prepared to learn.
- Maintain a neat appearance, including adhering to the requirements of the school's uniform or dress code policy.
- Behave safely, considerately and responsibly, including when travelling to and from school.
- Show respect at all times for teachers, other school staff and helpers, including following class rules, speaking courteously and cooperating with instructions and learning activities.
- Treat one another with dignity and respect.
- Care for property belonging to themselves, the school and others.

Days missed = years lost

A day here and there doesn't seem like much, but...

2026 KINDERGARTEN

If you have a child due to start Kindergarten next year, you will need to complete the school enrolment online prior to our transition dates. You will need to provide some important documentation, including proof of address (to 100 points), such as rates notice, your child's birth certificate and immunisation history. Original documentation must be sighted as part of the enrolment process, photocopies are not accepted.

The online enrolment can be found on our school website:

<https://ebenezer-p.schools.nsw.gov.au/about-our-school/enrolment.html>

You are invited to make an appointment to meet with myself in Term 3 (August/ September) to look at our beautiful school and discuss your child's individuality. This would be a good opportunity for you to bring your original documentation to complete the enrolment process. Please use the link below to access the online booking calendar for your Kindergarten Enrolment Interview:

Click here to book a meeting!

Our 2026 Kindergarten Parent Information Evening will be held on Tuesday 21st October 2025, please bring along all of your questions! A family picnic is being planned for Wednesday 24th September, which is a great way to meet the other families with Kindergarten students. Your invitation to these events and your child's transition days will arrive early next term.

We are currently organising classes for next year and your child's enrolment will confirm their place at Ebenezer. Please complete your child's enrolment form online as soon as possible.

OOSH – OUT OF SCHOOL HOURS CARE

Ebenezer PS has an OOSH (Out of School Hours Care), located near the school hall. OOSH is available for Kindergarten to Year 6 students. Parents of before and after school care children can access the school to drop off and collect their children. An adult is required to physically sign children in and sign out of OOSH.

If crossing the road before or after school outside our crossing supervisor times, please hold your child's hand or walk with them across the road.

Parents interested in enrolling their children can contact OOSH in person or by phone on 0459 784 285 or by email: ebenezeroosh@hotmail.com. Enrolment paperwork is also available at the office.

UNIFORM POLICY

The wearing of a school uniform by students will assist Ebenezer Public School community in:

- defining an identity for Ebenezer Public School
- developing students' sense of belonging at Ebenezer Public School
- providing an opportunity to build our school spirit
- enhancing the health and safety of students when involved in school activities
- promoting a sense of inclusiveness, non-discrimination and equal opportunity
- reinforcing the perception of the school as an ordered and safe environment

MOBILE PHONES AND DEVICES AT SCHOOL

At Ebenezer Public School the safety and privacy of all students, staff and visitors is paramount. This mobile phone and device policy is supported by other school policies including the school Code of Conduct, School Rules and expectations and the school anti bullying policy. The support of parents/guardians and the school community in implementing this policy is greatly appreciated.

A student may need to have a mobile phone, smart watch or other digital device during the school day e.g. safety reasons travelling to and from school. To ensure that mobile phones and devices are **not** being used inappropriately, however, please follow these steps:

1. All students carrying mobile phones and/or devices to and from school are required to leave it switched off at the school office during school hours (including bus lines).
2. If a student is found to be in possession of a mobile phone or device, their phone will be confiscated, and the student's parents will be advised that a permission note is required before the phone/device is returned to the student.
3. If a student is found to be in possession of a mobile phone/device more than once without permission, a detention will be issued.

If there is a message you need to communicate with your child about changes to after school arrangements, please call the school office before 2:45pm and we will pass the message on.

ROAD SAFETY

We request that parents and students walk to and from school using the road safety guidelines. We have a Pedestrian Crossing Officer who monitors the children's crossing on Sackville Road each morning and afternoon.

Some safety tips:

Children's Crossing-

- Slow down and stop before the stop line if a pedestrian is on or is about to enter the crossing.
- Do not proceed until all pedestrians have left the entire crossing.
- If the road beyond the children's crossing is blocked you must not drive into or stop on the crossing.
- You must not stop in the No Stopping zones either side of the crossing as this blocks vision.
- You must **NOT** conduct u-turns across double lines before or after the crossing.

Walking to school-

- Walking to school is a great way for both you and your children to get some physical activity and stay healthy.

- Remember to set a good example and use pedestrian facilities when available.
- Always hold hands and teach the road safety rules of stop, look, listen and think before crossing the road.

No Stopping zones-

- Do not stop in a No Stopping zone at any time.
- These zones are designed to allow visibility for pedestrians and drivers especially around crossings.

Bus Zones-

- You must not stop within a Bus Zone at any time.
- If times of operation are shown on the sign, the restriction applies only at those times.

BUS BEHAVIOUR

A number of students use the Busways bus services to get to and from school. It has come to my attention that some students aren't displaying safe behaviours when on the bus, which I have spoken to students and Busways about. It is always important for all students to be safe before, during and after their bus journey and I request that you discuss the safe bus rules with your children if they catch a bus.

Bus Rules for Ebenezer students:

- Listen to the driver
- Walk quietly onto the bus and find a seat
- Once you sit, stay in the one seat
- Sit your legs facing the front
- Wait until the bus comes to a complete stop before you get off, get off slowly and safely.

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

Ebenezer is a Positive Behaviour for Learning (PBL) school. Students are expected to demonstrate behaviours associated with our four school expectations/rules:

- Be Safe
- Be Responsible
- Be Respectful
- Be a Learner

PBL TOKENS

During class time, students are recognised when being safe; responsible; respectful or a learner by their teacher with a corresponding token. These tokens are stuck onto a token chart kept in their classroom and a full chart is exchanged for a Token Award at the next Friday assembly. These tokens are also tracked by teachers to ensure we are acknowledging and celebrating student achievements.

15 Tokens (Safe/ Responsible/ Respectful/ Learner/ Eagle/Attendance) = 1 Token Award

3 Token Awards (45 Tokens) = Bronze Award

6 Token Awards (90 Tokens) = Silver Award

9 Token Awards (135 Tokens) = Gold Award

3 Gold awards (405 Tokens) = Gold Medallion

This system is ongoing, with the names of students who received a Gold Medallion throughout the year are engraved on the perpetual Token Shield at the end of each year.

Gold Award recipients and their parents are also invited to a free celebratory morning tea with the Principal at the end of each semester, as further recognition of their ongoing commitment to displaying school expectations.

CRUNCH&SIP

Crunch&Sip® is a set break for students to 'refuel' on vegetables, salad and fruit and 'rehydrate' with water. Students who are not hungry and are well hydrated perform better in the classroom, show increased concentration, and are less likely to be irritable and disruptive. Many students are not eating enough vegetables and fruit or keeping sufficiently hydrated.

Please remember to send fruit or vegetable and a bottle of water each day.

FRUIT- All fresh fruit, e.g. a banana, chopped melon. Please cut fruit such as apples and place in a zip lock bag or small plastic container for younger children.

VEGETABLES- Fresh vegetables, e.g. carrot sticks, cucumber slices, celery sticks.

DRINK- Only plain water please. No other drinks are allowed as they are laden with sugar.

LUNCH BOX NEWS

Please remember when packing lunches for school days, that spoons and forks are okay to pack for your child's lunch but no knives (metal or plastic) please.

Also, please do not include glass drink bottles in your child's lunch – plastic and metal drink bottles or poppers in plastic or cardboard are all ok to bring to school.

We have a 'brain break' during the morning learning session so please remember to pack your child a "Crunch&Sip" snack in addition to their recess and lunch food. This can be any fresh fruit or vegetables and water to drink. Please do not include fruit flavoured snacks or juice/cordial for this snack break.

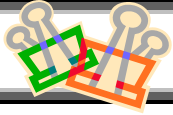

Sandwich filling inspiration

Sandwiches are a great everyday lunch option! Looking for inspiration to try some new sandwich fillings? Why not try:

- Bulk out the sandwich with vegetables. Try using carrot, tomato, lettuce, baby spinach, avocado, beetroot or cucumber.
- Try using leftover lean meats, boiled eggs, reduced fat cheese, BBQ chicken (skin removed), canned fish, turkey, roast vegetables, falafel or tofu to switch-up fillings!
- Swap your spreads! Instead of butter or margarine try cream cheese, cottage cheese, avocado, hummus or tzatziki.

NSW Health Primary School Dental Program

NSW Health is working with public primary schools to offer free dental check-ups and preventive care to students as part of a school-based mobile dental program. Your child's school has been selected to participate in this program.

The program involves a mobile dental team making scheduled visits to your child's primary school. During the first appointment a dental check-up and preventive care package will be provided, subject to parental consent.

NSW Health prioritises the health, well-being and safety of your staff and students. The program will utilise all available information provided by NSW Health, the Australian Government and the World Health Organisation (WHO) in relation to COVID-19. Our staff have implemented and reinforced a number of additional, proactive health and safety measures to ensure we can continue to provide your students with the best and safest experience possible. This will include NSW Health staff completing a temperature screen of your child prior to their dental examination.

The program is scheduled to visit your child's school from 24/11/2025 to 25/11/2025.

Parent Information and Consent Packs will be sent home, including information sheets, consent forms and the program privacy statement. Parents/guardians who want their child to receive care are advised to:

1. Read all the information provided
2. Carefully complete the consent forms
3. Return the consent forms to the school as soon as possible

CBCA Book Week 2025

80 Year Anniversary!

The exciting theme for the 2025 Children's Book Week is

'Book an Adventure'.

This encourages young readers to explore new worlds, embark on literary journeys, and immerse themselves in endless possibilities books offer.

Our Book Parade will be held on Thursday, 21st August at 12.40pm.

Each year, the staff at Ebenezer appreciate the effort that is put into making costumes for this a memorable event. We do not expect you to purchase expensive costumes.

Be creative and involve your child in the making of the costume from materials readily available.

Parents, carers, family and special friends are invited to come and watch the parade.

Pre-schoolers are also welcome to dress-up and parade.

We thank-you for your continued support.
