

Elmore Endeavour

Term 2 Week 7
5 June 2026

Awabakal Country
Jubilee Road, Elmore Vale

Ph: 4955 9016

Education

Dear Families,

This week is **National Road Safety Week**, with today being **National Walk Safely to School Day**.

Parents and carers are a child's first teachers and play an important role in **modelling safe road user behaviours**.

This week we saw our amazing Spelling Bee students in action, what wonderful class representatives they were! Congratulations to our champions who will now continue to represent our school.

We wish all our Starstruck performers the best for their upcoming performances next week. They will perform on Friday evening and a Saturday matinee. Thankyou to Miss Munt and Miss Dedman for all their hard work and effort in providing this opportunity for our students.

Next Friday, 12 June, our wonderful P&C are trialling their first Friday lunch special with preorder sushi and poppers on offer from the canteen. Don't forget to order your child a special delicious lunch treat. Orders can be placed and paid for online at <https://www.quickcliq.com.au>

The next P&C meeting is on Tuesday, 9 June at 6:30pm in our school library. Please come along and join our dynamic group of parents working together for our school.

Parent Teacher interviews will be held in Week 10 and 11 of this term. Interview bookings will open on Tuesday, 9 June at 9am. Please ensure you book in a time to meet with your child's teacher or select the option if you do not require an interview at this time.

In collaboration with The University of Newcastle, we are performing Seussical Jnr the musical this year. Our students and staff are very excited for this production. This is another amazing example of the wonderful opportunities on offer for the students at Elmore Vale Public School. Details of our prop making working bee are on the next page. Please lend a hand if you are free!

Finally, just a reminder about the parking out the front of our preschool on Jubilee Road. This is a 15 minute only parking space and it is everybody's business to ensure the road rules are respected and adhered to. This ensures the safety of all our families navigating the busy drop off and pick up traffic.

Mrs Harborne
Rel. Principal

Term 2 Week 8

Kings Birthday Public Holiday	Mon 8/6
Breakfast Club	Tue 9/6
P&C Meeting 6:30	Tue 9/6

SUNDAY 14TH JUNE

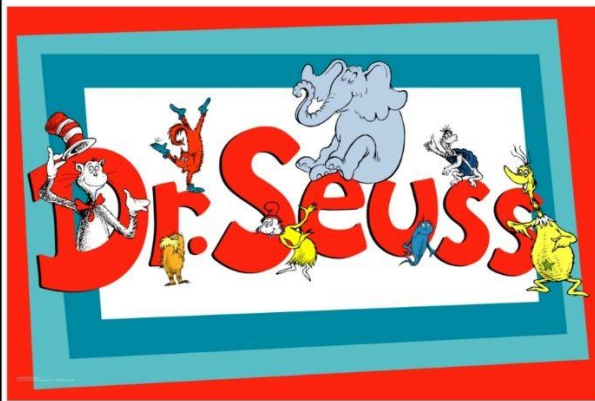

10AM-3PM

🐝 Oh, the Props We Will Make! 🐝

Hear ye! Hear ye! Come one, come all!
 A Seussical adventure is coming this fall!
 In partnership with the University of Newcastle, too,
 EVPS is preparing a show just for you!
 We'll need some Who-builders and painters galore,
 To help make the magic from floorboard to floor.
 Can you zig with a jigsaw? Zip, zap and zoom?
 Can you paint trees and Truffulas ready to bloom?
 Could you spare just an hour, or maybe just two,
 To help Horton and Gertrude and all of the Whos?
 With brushes and hammers and plenty of cheer,
 We'll create something wonderful right here this year!
 So if you'd like to help us and join in the fun,
 Please give us a call before all the jobs are done!

☎ Ring the school office on 4955 9016
 And ask for Mandy Jones, who'll tell you what it means!

We'd love your helping hands, your talents and your might,
 To help make our Seussical production a dazzling delight!

Any help you can provide would
 be greatly appreciated!

Our students are so excited for
 this wonderful opportunity!

Good for kids

good for life

Blanket Ball

Physical games are a great way to have fun with family and friends. They can also enhance skills such as balance, creativity and strength.

Try 'Blanket Ball' one afternoon this week —
A court game where a ball is passed over a net using a blanket. The receiving team tries to keep the ball off the floor. Play with 4 or more.

The Game:

- Work either in pairs (smaller blanket) or 4s.
- Teams begin with a ball each.
- Each team practises tossing and catching their ball in their blanket.
- Progress to working with another team – the ball is passed between teams. A barrier is not required for this stage.

Over-the-net play:

- The ball is passed over the net between teams.
- One point is scored if opponents fail to catch the ball, or if they pass the ball out of court.

Safety:

- A smooth surface and playing area free from obstructions.
- The court should be an appropriate size for the number and ability of players with adequate separation between groups.
